Prologue

A kaleidoscope is a whirling and streaming circle which we believe represents the pieces of life and the action we see every day at Bonita Vista.

These pieces of life have created a memorable and valuable year which we have captured and preserved from the distances of memory and time.

The happy, victorious moments, the progress of the learning experience, the new traditions established, and the sad, emotional times which words cannot describe—all of these we have attempted to bring to you.

So in the following pages we offer a pictorial memory of the kaleidoscopic times of 1968-1969 through which we have lived.

In Dedication

We, the 1968-1969 Excalibur staff of Bonita Vista High School, do with pride and gratitude, dedicate this yearbook to the members of the Class of 1969.

Time's cycle has whirled constantly forward for three years—stopping for nothing, never slowing. And during these years Bonita Vista has seen the leadership and exuberance with which our Seniors have faced the unusual and difficult task given them.

Only sophomores when they first came to Bonita, they resolutely accepted the challenge of leading three other classes normally found in a junior high school.

They continued to seek higher standards and became a class worthy of being emulated by the four younger grades which also attended BV that year.

This year, finally achieving the status due them as Seniors, they have continued to carry on in their tradition—facing defeat with a familiar frustration and victory with exultating joy.

With love and honor, we dedicate our Class of 1969.

Hi Linda,
 It's really hard to
 write something now
 that - when you look
 back to your ANNUAL
 30 years from now
 you'll get a pleasant
 remnescent of me from.
 But anyway you look
 at it, I get nothing but
 pleasant thoughts when I think
 of you.

Love you,
 John
 PEACE

A new member has been added to the 1968-69 Associated Student Body. "Barney Baron," Bonita Vista's spirited mascot, was a gift presented by the varsity cheerleaders. A car wash held last summer provided the money needed to turn the mascot from drawings into reality.

Mr. Robert Geyer, Principal

Administration Leads BV To A Better Year

Mr. Robert L. Geyer's name is synonymous with Bonita Vista High. He has worked three long years to make this school one of which to be proud. His leadership has proven invaluable. The faculty and students of Bonita Vista High are proud to have a principal like Mr. Geyer.

Mrs. Mabel Shuman, Girls' Vice-Principal, is always available to girls who seek her counseling. She also approves many items important to the welfare of the school.

Hard working, industrious Mr. David Noe, Boys' Vice-Principal, has many jobs. A few of them are counseling boys, who respect his advice, and supervising the lunch area.

Mrs. Mabel Shuman, Girls' Vice-Principal

Mr. David Noe, Boys' Vice-Principal

Members of the Board of Trustees are, left to right, E. Morris Hayes, M.D., Harold C. Foster, Bernard C. Schemmer, O.D., Frank L. Whittington, Edgar O. Rogers, Joseph Rindone, and Philip D. Jolliff.

Mrs. Palmer counsels the juniors and shares the job of counseling the sophomores with Mr. Tomlinson. Always full of spirit and enthusiasm, Mrs. Palmer has provided many ideas for school activities.

Hard-working Mr. Tomlinson does just about everything from counseling to coaching golf. He has spent many long hours helping the seniors prepare for college and the sophomores select their college preparatory courses.

Bonita Vista Faculty

Bonita Vista's faculty is a hard-working and diligent group. They provide the assistance students need and more often present them with challenges. In spare moments the teachers try to find ways to improve their teaching methods. To our faculty, for their great work, Bonita Vista's students say thanks.

Bonita Vista's bus drivers are, back row: Mr. L. Marlow, Mr. S. Mahoney, and Mr. G. Scatolini. Front row: Mr. C. Morey, Mr. W. Aldrich, Mr. B. Hastings and Mr. L. Wagoner.

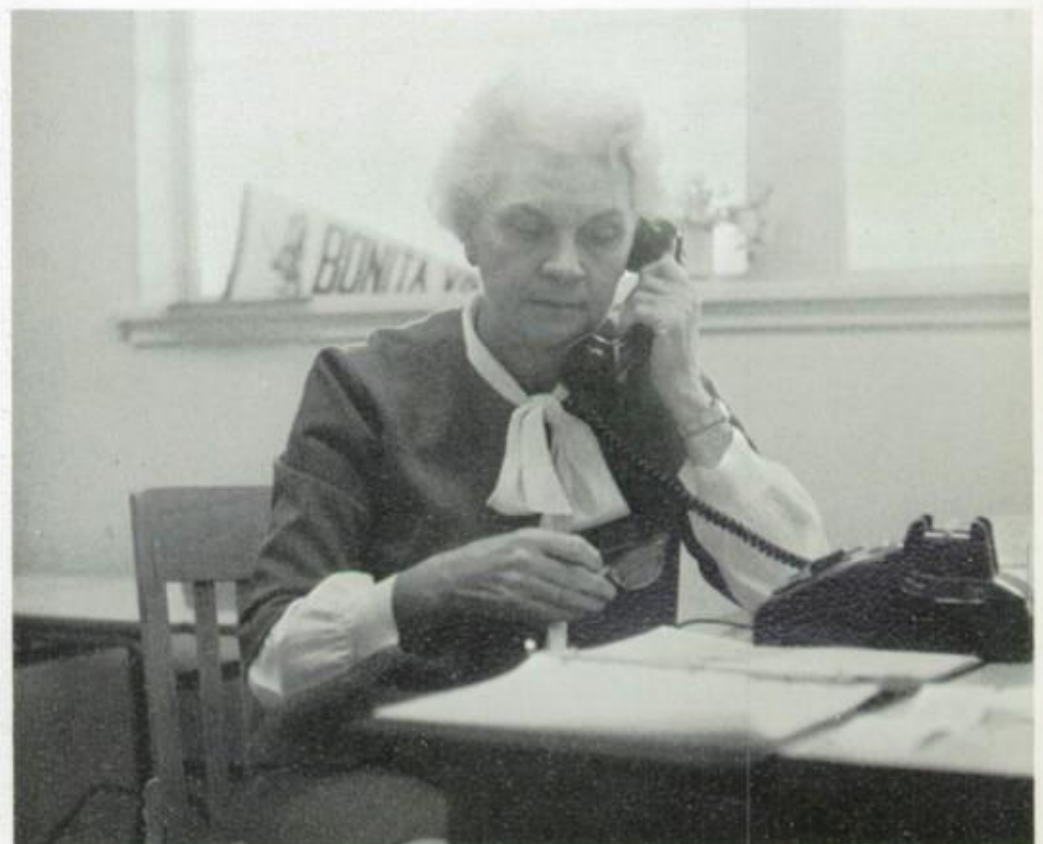

Mrs. H. Geisler and Mrs. W. Huff are B.V.'s enthusiastic librarians.

Dedicated Employees Contribute Knowledge and

B.V.'s bus drivers play an important role in the lives of most students. Without them, three-fourths of the school would have no means of transportation. Our bus drivers also possess the ability to restore good feelings among their riders. The student body wishes to give all the bus drivers a well-deserved "THANKS."

Bonita Vista's cheerful librarians supply students with a wide range of books. Their careful work and consideration are useful to both those who read for pleasure and those who make use of the research facilities.

In the past three years Mrs. Madden has become very well known among B.V.'s students. Her duties include everything from checking eyes and ears to bandaging wounds. Mrs. Madden's hard work is appreciated by all the Barons.

Mrs. M. Madden is Bonita Vista's school nurse.

Secretaries are, left to right: Collette Ennis, Marilyn Clark, Kathy Sisk, and Jan Conner.

Supplying information, keeping records up-to-date, and organizing the attendance of students are just a few of the many tasks our secretaries do. Because of their time and effort, they keep B.V. running efficiently.

Supplying the student body with hot lunches and a la carte foods is the main job of B.V.'s cafeteria ladies. They also help in the preparation and serving of food at Sports Banquets and Pancake Breakfasts.

Keeping the campus clean and the greenery growing is the custodian's big job. Their diligent work in maintaining Bonita Vista keeps the campus beautiful.

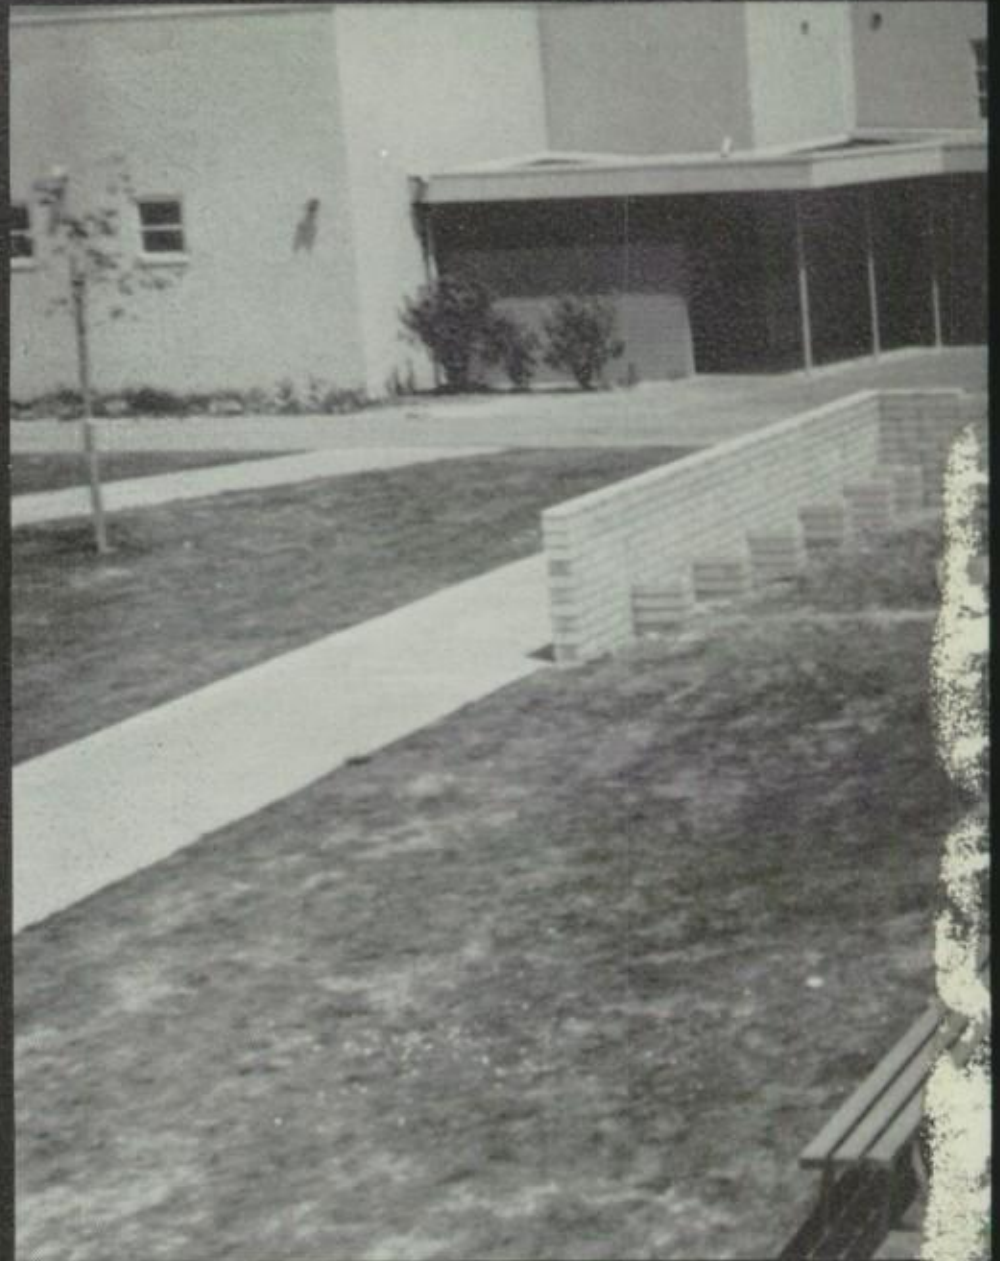

Cafeteria ladies are, left to right: Ruby Bobo, Glenys Paulson, Lois Larson, Manager; Dorothy Smith, and Louise Lacey.

Skill to Improve Bonita Vista

Custodians are, back row: Jim Casserly, Wilber Baker, Cecil Smith and John Casperson. Front row: Howard Patterson, Fred Bethal, and George Gilfillian.

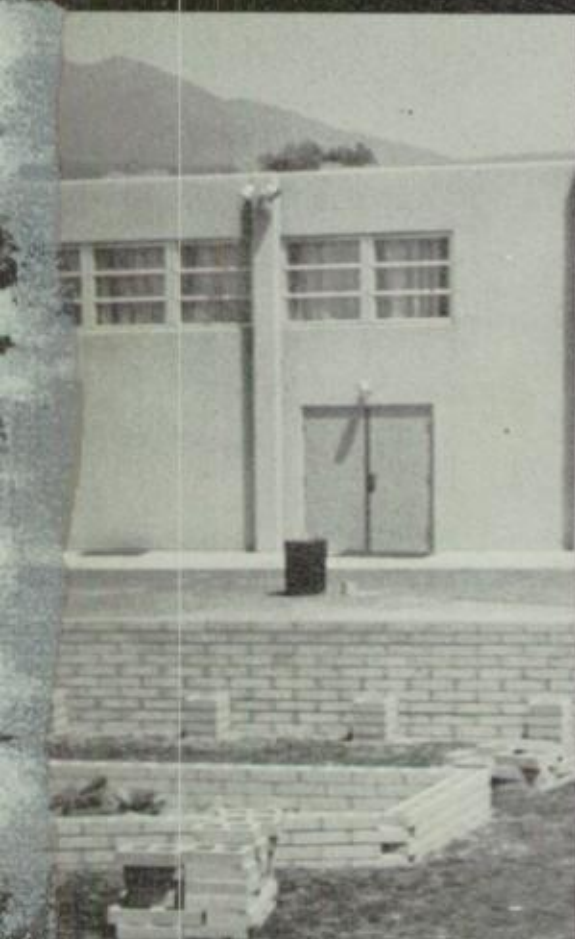

Seniors

Three years of high school has provided Bonita Vista's first graduating class with the experience they will need in the future years. With their increased knowledge and broader outlook on life, high school has prepared the '69 Seniors for the role they will soon play as mature adults.

Participation in student activities, campus life and sports has created well-rounded individuals. Senior subjects such as Government have made many seniors more aware of the world around them.

This year, Seniors participated in the first annual Prom and Senior Banquet. These activities helped break the monotony of the school year by creating many new and exciting experiences to make the Seniors' big year most memorable. Remembering these unforgettable moments will provide every Senior with memories for the rest of his life.

Senior Class Officers

Many long hours of hard work and planning for their classmates set the pace for the 1969 Senior Class Officers and the Counselor. With their ingenious leadership abilities, the Seniors were provided with a wide range of activities to make their last year at Bonita Vista a pleasurable and rewarding experience.

Immediately after their election these officers began preparing for their responsibilities during the year ahead. These included the construction of the Senior Lawn, the Prom and Senior Banquet, and lastly, Graduation.

ASB Life Members are Honored!

Life memberships are granted to those students of the graduating class who excel in scholarship, citizenship, and service. Candidates for the life memberships are appointed by the faculty, who submit two names for every 25 graduates. The senior class then elects one-half of the allotted names. Life members of the ASB are awarded a gold life ASB Card which gives them the same privileges as an enrolled student body card holder.

CSF Life Members Honored

All CSF students must earn a minimum of 10 scholarship points on their semester report card. To be considered a life member, a student must be a member of CSF for a minimum of four semesters throughout his high school career, including one in his senior year.

The students pictured on these two pages are the students who have attained life membership in CSF. At graduation they will be sitting in the front rows, wearing gold tassels on their caps, gold torch pins and perhaps a glow of inner pride in their accomplishments. The large gold embossed seal on their diploma will represent the long hours of study and effort required of them to achieve this high honor.

By the end of the semester, it is probable that more students will have joined this elite group. These students' efforts will not go unnoticed or unrewarded. By making the most of their education, they will most likely receive special consideration for college entrance.

Student Life

The students of Bonita Vista High have experienced an exciting year in '68-'69. Many activities this past year kept our Student Body jumping. We had everything from ice sitters to an exciting Senior Prom. Here at Bonita Vista things have been on the go throughout the year.

It is hoped that our fine Faculty and Student Body will make the years to come as fulfilling and rewarding as this year has been.

A.S.B. PRESIDENT: DOUG SINGLE

A.S.B. LEADERS

Throughout the year many people were responsible for the activities and new traditions set. Working to get these things for you was ASB President Doug Single. Although this was his second year in the office of President, he proved successful in serving the school. As Barons, we would now like to thank Doug for the services he extended to us.

A.S.B. VICE-PRESIDENT: VICKIE CRAIN

A.S.B. SECRETARY: MARIE MARCH

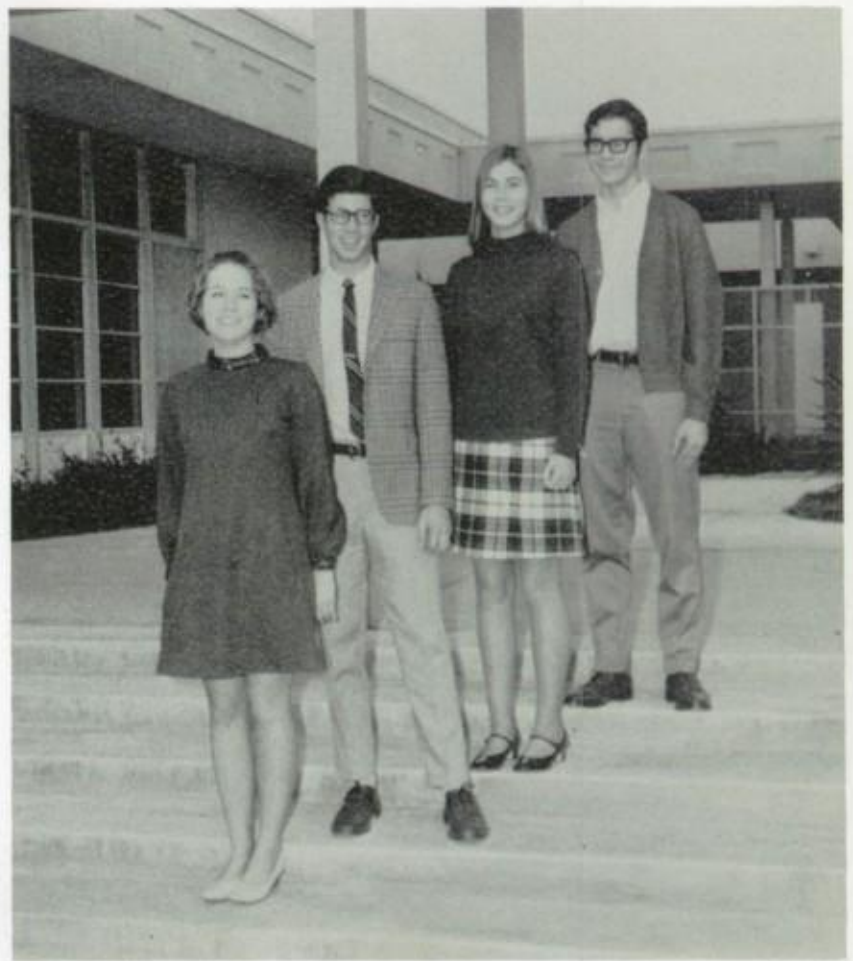

Our Vice-President and Secretary were right behind Doug to back him up. Working with the Senate and Assembly, this year's accomplishments include more activities, a Senior lunchline, and a Senior Lawn, to mention just a few. This year Bonita Vista has its first graduating class.

We at Bonita Vista High have much to be proud of and we thank those who have made it all possible.

THANK YOU!

Our Baron is a common symbol around Bonita Vista. He stands for the dedication and pride we feel for our school, and can be compared to the one man who has done more for Bonita than some of us realize.

The navy blue mail covering his body is like the invisible shield that protected "Mr. Baron" from becoming downhearted or giving up because of any problem. A golden sun in the middle of the Baron's chest brings back his famous words, "Keep smiling, Sunshine!" The clenched fist on the sword symbolizes the power he always held. The stern look on his face shows the sheer determination with which he tackled his many new ideas. Placed on his head is the glorious

MR. BARON!

crown which is more meaningful than the rest. This stands for his greatest reward of all. His greatest dream for BVHS was completed the day before he left for a higher position. Bonita Vista High School held its first annual Nominating Convention, his biggest goal since the beginning of this school. The crown was finally placed upon his well-deserving head.

In the coming years when we return to Bonita Vista and look at our mascot, the Baron, this great man will always return to our minds, MR. CHARLES F. SCHANKE, ASB Advisor 1966-1969.

Cindy Ives
Drum Majorette

It has been an eventful year for the Bonita Vista Marching Baron Band. The highlight of the marching season was the Long Beach All-Western Band Review. Early morning hours, bus trips, and strenuous practices are all very familiar to a band member. Our band has successfully performed in the Sweetwater District Band Pageant, Rosemead Parade, Hawthorne Band Review, and Maytime Band Review. Aside from street marching, the band added its spirit at football half times.

Drum Majorette, Cindy Ives, has contributed greatly to the success of the band in the last two years. Under the enthusiastic direction of William Sumner, the band's trophy shelf is showing a sizable collection.

Hej!

"It's a small world" was proven by this year's five foreign exchange students from five different countries. Benthe Ravn (left) who came to America from Denmark, enjoys cooking and being a member of "S" Club. Benthe is staying with the Hughes family. Barbro Lyderson (right) came to BV from Sweden. She was honored as being BV's third football queen and selected by the seniors as having the prettiest eyes. Barbro is staying with the Elrick family. Arnold Ferreira (below), better known as "Arnie," came to BV in early March from Brazil. Arnie is enjoying his brief stay in America where he lives with the Confer family.

¡Hola!

New life at BV

Tjark Ebels, who came to Bonita Vista from The Netherlands, was one of Bonita Vista's five foreign exchange students. Tjark enjoys such activities as Bottega, pep club, football games, wrestling, and working in the cafeteria. Tjark's American home was with the La Fever family and he was here under the Youth for Understanding program.

Belgium is the home of Jan Wagemans, another of Bonita Vista's foreign exchange students. Jan enjoys dancing, playing the mandolin, singing, and working in the cafeteria. Jan was living with the Pearson family and was also here under the Youth for Understanding program.

Jan Wagemans and Tjark Ebels enjoy life at BV.

A car wash and selling BV buttons were some of the fund raising projects held this year by the varsity pep squad. With the money they earned they bought a uniform for our Baron mascot. Led by head cheerleader Mitch Day, the pep squad has decorated the team room, made posters for games, cheered at all games, and organized pep assemblies. We owe a lot to the pep squad for their hard work and lasting spirit.

Baron Choir is Rich in Talent

This year's Baron Choir, under the direction of Mr. Babko, brought much honor and prestige to Bonita Vista. The choir participated in various festivals as well as school performances. This year's elected officers were: Denis Hopkinson, president; Jane Anderson, vice-president; Pam Dye, Secretary-Treasurer; Michele Jacquot, librarian; and Linda Irving, representative.

Forward March!

At the head of our marching units, the appealing letter-carriers strut gracefully with proud, smiling faces. An important part of the marching organization, the letters are the first to be judged and a good impression reflects on the band's score. Our letter carriers have been eager to give their help and effort to halftimes and parades. They also added color to our Pops Concert. Their regal uniforms capture the audience's attention.

Specialty Corps Achieves Top Honors

The fashionable Baronettes have established a fine reputation in competing for top honors. Their success has been achieved not only by after school rehearsals, but by extra hours taken to make up routines, sew sequins, and come up with new ideas. The hardest job is striving for originality.

It gave the girls great pleasure to participate in the Sweetwater District Band Pageant. The first opportunity the girls had to show off their exciting new accessories was the Rosemead Parade. Response came when the scores soared to great heights.

Debbie Roberts, captain, has guided the Baronettes to their success the last three years.

Mrs. Gray's assistance has proven invaluable in guiding the Baronettes.

Top row, left to right: Michelle Frattini, Vivian Guffey, Hope Rodriguez, Kathy Williams, Helen McShea. Middle row: Clare Colgrove, Elaine Garrison, Rosa Vasquez, Ginger Mears. Bottom row: Debbie Geiger, Sherry Coonce, Cheryl Matzenauer.

The newest addition to our specialty groups is the Flag Corps. These girls have had the hard task of developing skills while creating snappy routines. The girls have achieved a reputation for their outstanding performances. Janet Mankin is to be commended for her fine leadership as captain.

SEPTEMBER

The first month of the school year was highlighted not only by meeting new friends and seeing old friends, but also Girls' League Week. Sponsored by the Girls' League, events were an ice sitting contest and the auction of decorated box lunches.

OCTOBER

Margaret Pena, JV cheerleader opens the first pep assembly with V-V-Victory to generate enthusiasm and spirit for the first football game of the season.

NOVEMBER

Fathers of the Varsity football players were honored during the Mar Vista game with Dads' Night. All the fathers wore jerseys with the same number as their son's.

DECEMBER

With red and white decorations, this year's Baronial Ball theme was "White Christmas," featuring the "Emergency Exit."

JANUARY

Bonita Vista students witnessed a hilarious basketball game when the faculty challenged the fast-moving Harlem Travelers.

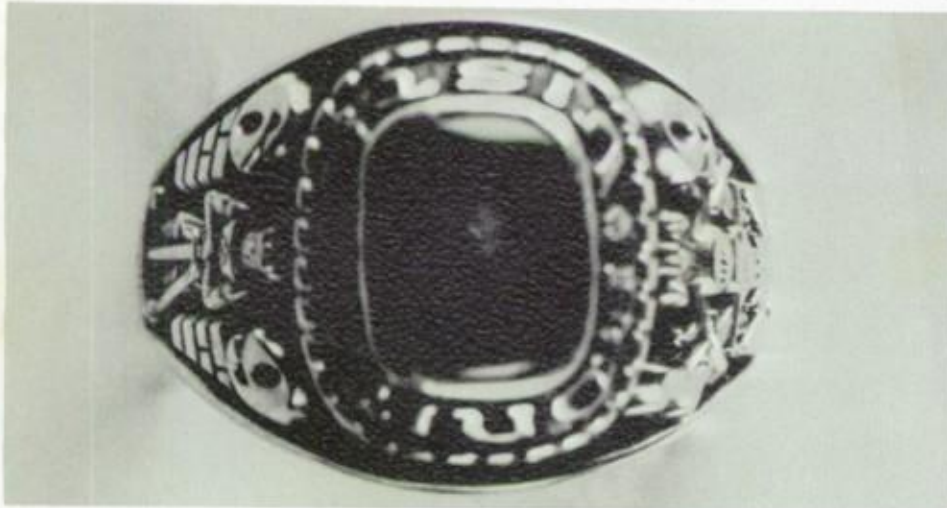

FEBRUARY

Bonita Vista was honored to have "The Match," a relatively new group, which played both jazz and soul music.

MARCH

On March 28, 1969, the annual dance featured the Framework. It was a great success. The money received went toward the payment of the yearbook.

APRIL

The juniors, after a long wait, received their class rings. To a junior it is the first symbol of becoming a senior.

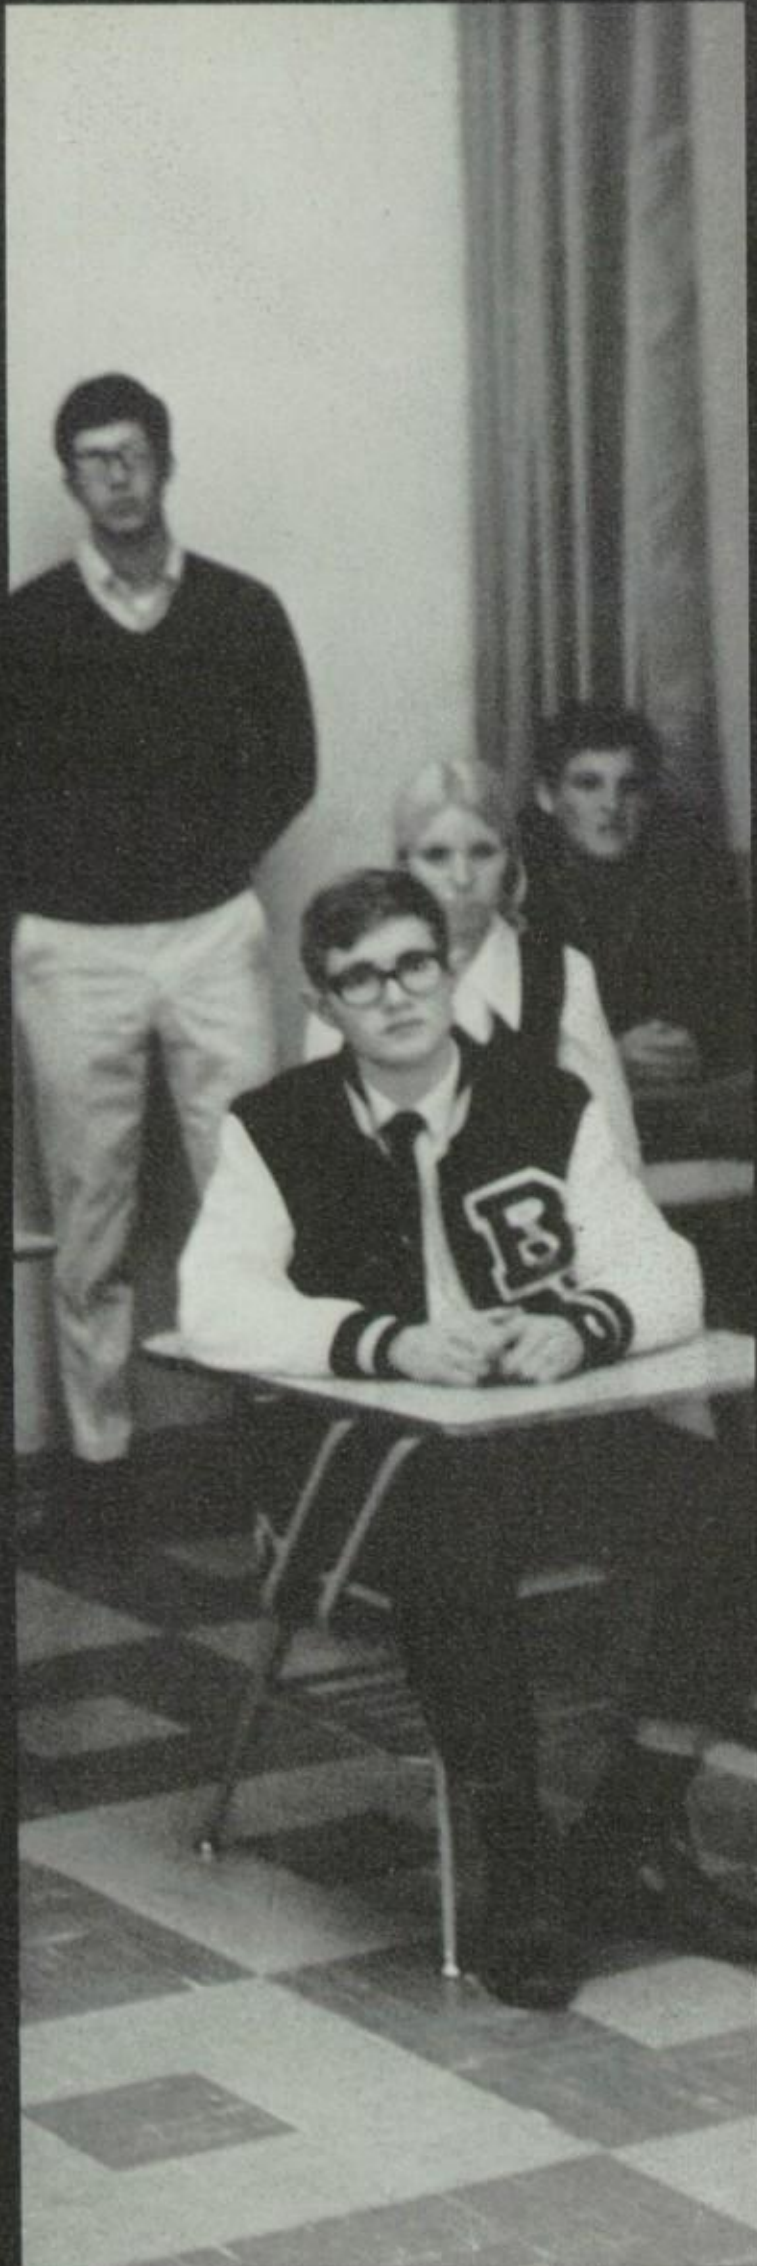

MAY

The Baron's basketball team set a goal of 10 wins earlier in the season. They reached their goal with a victory in their final game against Mar Vista.

JUNE

In the year of 1969, Bonita Vista had its first graduating class. It was a big step towards the future for our graduating seniors.

Organizations

In a kaleidoscope, symmetrical patterns are formed by brightly-colored chips and are reflected by mirrors. At Bonita Vista, patterns of life are formed by organizations and are reflected by the students. Campus clubs and organizations offer students the opportunity to broaden their horizons and at the same time to build their character and principles. Students became well-rounded by associating with others and striving with them to accomplish common objectives and interests.

With the Interclub Council as coordinator, organizations established, and maintained traditions and also created new and worthwhile activities, all of which will be in the memories of all Barons.

Mrs. Selles, advisor; and Gale Speegle, editor

Another exciting and eventful year has passed, but with one small difference; we say good-bye to the first graduating class. We, the 1969 EXCALIBUR staff worked very hard to compile all the activities, events and happenings into this memorable issue to serve as a record of 1969 and give the graduating class something to treasure all ways.

The TORCH staff consists of three hard-working students: Susan Runyan, Vicki Byrd, editor; and Margot Henklemann.

Mrs. Kellogg, Crusader advisor; and Adrienne Dale, editor.

Despite many handicaps this year, such as mysterious layout problems, the CRUSADER always managed to make Barons aware of current events, activities, and even a little gossip. The staff has worked extremely hard to meet deadlines and with the help and guidance of Mrs. Kellogg, advisor, and Adrienne Dale, editor; the CRUSADER came out on time.

This year's Torch staff, headed by Vicki Byrd, collected impressive stories, poems, and essays by Bonita's talented writers. The 1969 issue of the TORCH was better than ever.

Clubs Initiate Baron Spirit

Bonita Vista Barons show their enthusiasm at the Baron-Spartan football game.

Pep Club

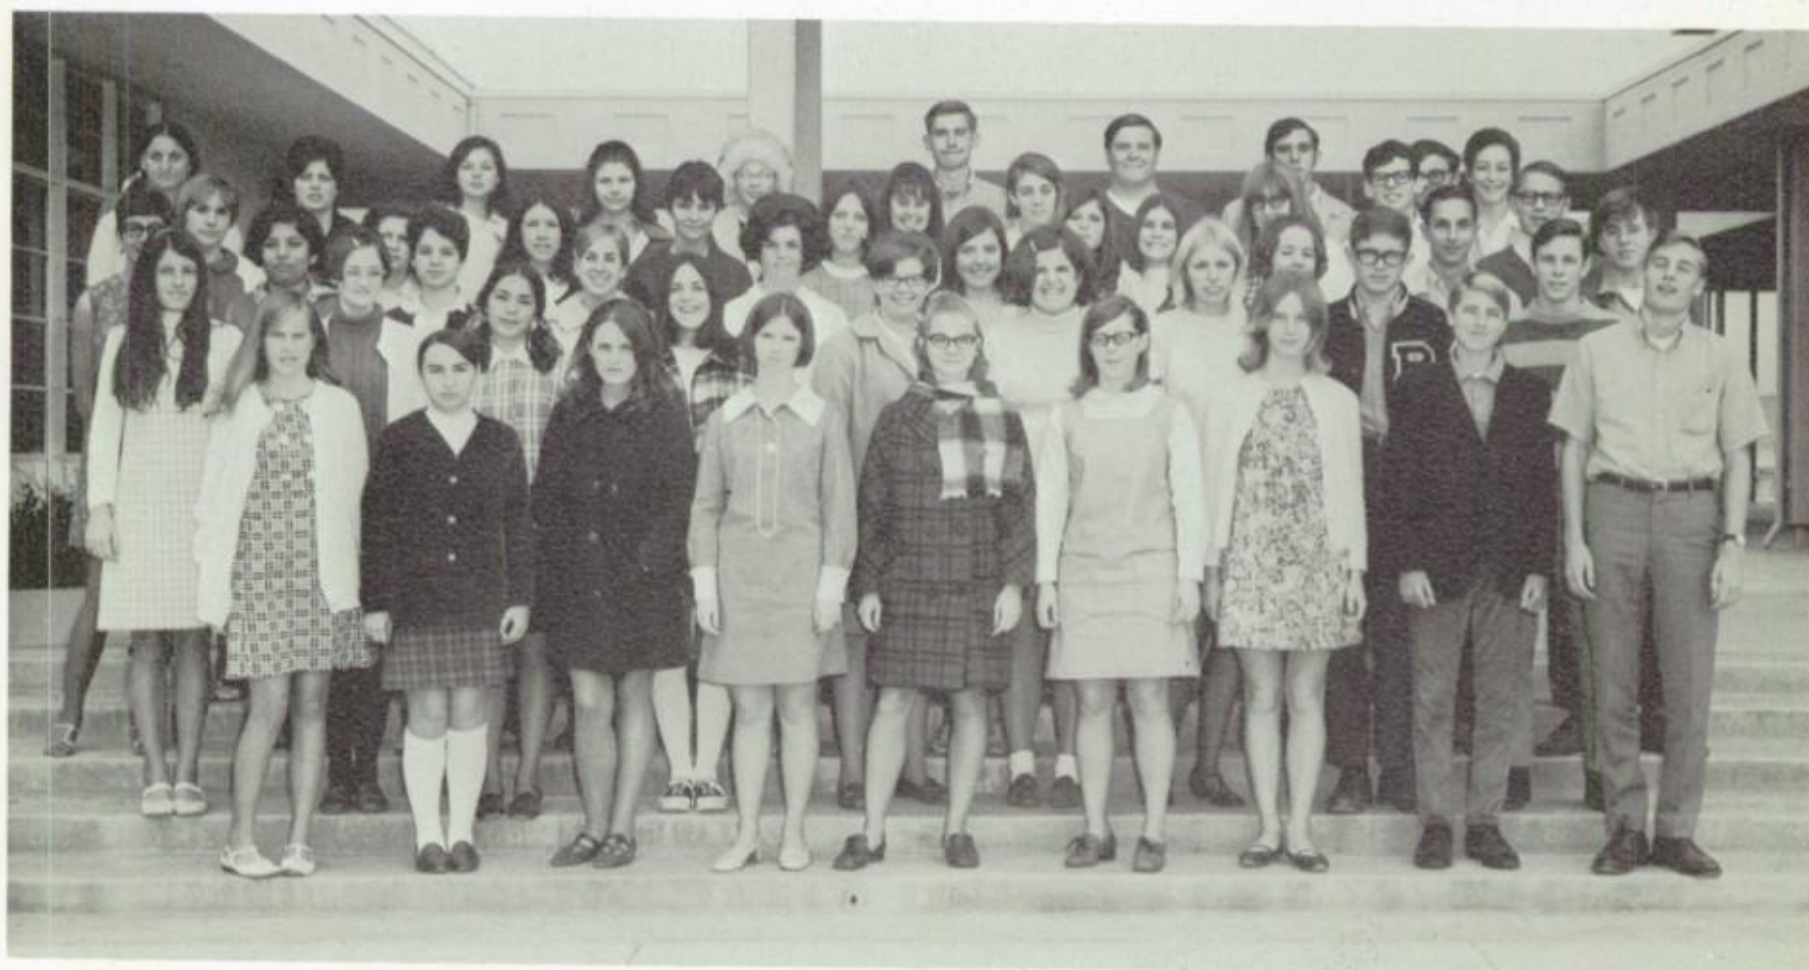

A big boost to Baron spirit this year was the Pep Club. It kept the winning support in the hearts of the student body. Pep Club helped to paint posters for pep assemblies and games. It also made the arrangements for the crowning of this year's football queen. With Mr. Griego, advisor, and Chris Jensen, Pep Commissioner, the Pep Club gave the teams the desire to win.

Spirited Barons sing out our alma mater after the victory over the Mar Vista Mariners.

The Serfs and Vassals tend the snack bar as hungry Barons flock around during halftime.

Service Club is the one club that strictly serves the school. It is the backbone of all the school-sponsored events and activities. Its members donate their time and effort to operate snack bars at all home games and dances. Under the leadership of Mrs. Reid, advisor; and Shirley Nelander, Service Commissioner; the Baron Service Club made possible extra enjoyments and activities. The members who worked hard all year were awarded by a trip to Disneyland.

Service Club

G.A.A.

G.A.A. was filled with action this year. With Miss Forsberg, advisor, and Christy Fujikawa, president, the club planned such activities as bake sales, play-days, and a bicycle hike to Otay Lakes. Starting this year G.A.A. members were awarded letters and stars for their service to the organization.

G.A.A. officers this year were Christy Fujikawa, president; Vickie Dean, vice-president; Margot Henkelman, secretary; Cindy Frederick, treasurer; Sonya Beltran, 12th grade representative; 11th grade representative, Pat Gillespie; and Sara Schulenberg, 10th grade representative.

Chess Club

Chess Club was formed last year under the leadership of Mr. Wolff. The purpose of it is to teach interested students the fundamentals of chess and to produce more of an interest in the game itself. With Rick Zepeda as this year's president, the club planned tournaments with other district schools.

Chess Club officers this year were Rick Zepeda, president; Jim Stucky, vice-president; David Hilgendorf, secretary-treasurer; and Paul Carranza, sergeant-at-arms.

Knowledge Bowl members "battle it out" during a practice match before confronting the team from Hilltop.

Although just established last year, the Knowledge Bowl has become as much a part of Bonita as sports and activities, but even more important to the individual. Knowledge Bowl, based on the "College Bowl" on television, gives those who have a great deal of scholastic ability an opportunity to compete with groups from other schools. Mr. Wolff is the creator and advisor of the Bonita Vista Knowledge Bowl.

Mr. Wolff, advisor

Bonita Vista debaters have a practice match before going to a state-wide speech competition.

One organization that requires a lot of talent and hard work of each member is the Speech Club. Under the direction of Mr. Mumper, Bonita Vista speakers and debaters have brought home many honors in competition locally as well as state-wide. Linda Nicholls, a junior, has become one of the state's top speakers this year. To pay for expenses, the Speech Club sponsored the annual "Ugliest - Man - On - Campus" Dance.

Speakers Achieve Top Honors in Competition

Speech Club officers this year were Bob Hawkins, president; Linda Nicholls, vice-president; and Carl Weidner, treasurer.

Drama Club officers this year were Kathy Zepeda, president; Vickie Crain, vice-president; Collette Williams, secretary-treasurer; and Michelle Jacquot, historian.

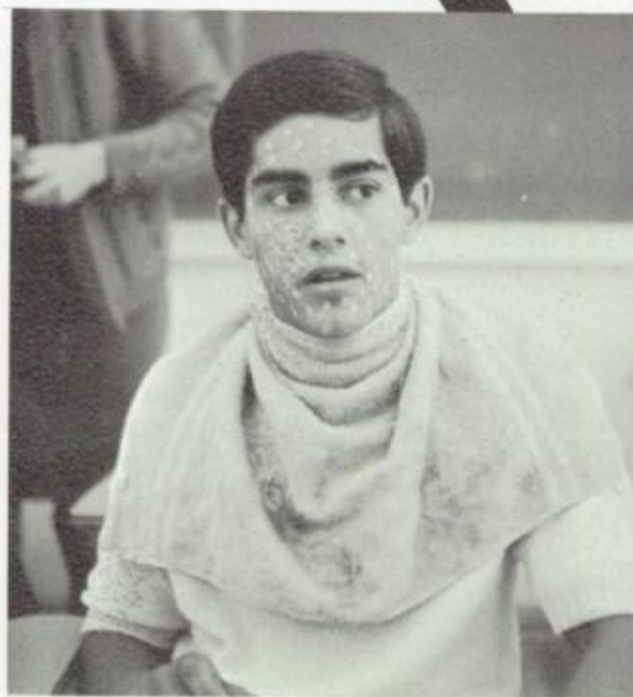

Kathy Zepeda and Mr. Mumper, advisor, discuss preparations for an up-coming one-act play festival.

-With Mr. Mumper as the new advisor, the Drama Club was a very active organization. The club was involved in two major presentations this year. Early in the year, the morality play "Aria De Cap" was presented at the Chula Vista Recreational Department's annual one-act play festival. The school play this year was "The Coming of Age," written by Mr. Mumper.

Students take part in an after school rehearsal for "The Coming of Age."

Frank Guidry demonstrates his technique in application of basic make-up.

The very active art club, Bottega, was under the leadership of Mr. James, advisor, and Kyle Mulderig, Commissioner of Art.

There was one group of Barons that wasn't satisfied with just screaming their heads off in the stands. This group belonged to Bottega, under the counseling of Mr. James and Kyle Mulderrig, Commissioner of Art. The members spent long hours designing, creating, and painting posters and pep ribbons. Bottega not only provided a huge boost to the Baron fighting spirit, but it also gave its members a wide exposure to the art field.

One of Bottega's 40 large posters boosts B.V. spirit.

Health Career members interested in nursing get practice in the care of patients.

Health Careers, sponsored by the Ladies Auxiliary of San Diego, was established to acquaint students with the various health fields. Members this year visited the Bonita Pet Clinic and Balboa Hospital. Health Careers was under the direction of Mrs. Madden, school nurse, and Betsy Carter, president.

Science Club members study plant life under the supervision of Mr. Bourquin, advisor.

To give those who are interested in biology further opportunities for study, the Science Club was formed last year. Mr. Bourquin was the club's advisor and Don Baker its president. The students in the club are given the opportunity to do research and conduct experiments of their own.

Health Careers' officers this year were: Betsy Carter, president; Vickie Dean, secretary; and Gail Gibson, treasurer.

Language Leads to Understanding

German Club officers were Tim Hyde, president; Tomi Jean Hamilton, vice-president; Leslie Martin, secretary; Dan Weinberger, treasurer; Kym Onley and Costa Dillon, representatives.

Despite a mighty effort, the French Club brought up the rear in the exciting chariot races during the Olympic games between all the language clubs.

It has been said that one of the first steps toward world peace is the ability to communicate. The students of Bonita Vista believe in this wholeheartedly. Each of these clubs represents the students' enthusiasm to learn and appreciate the people of other countries, their customs, and their ways of life.

The German Club, under the leadership of Mrs. Gilbert, advisor, and Tim Hyde, president, had an active year with a giant pretzel sale and the viewing of films from Germany.

With Mr. Wolff, advisor, and Jim Pearson, Praetor; SPQR, or Latin Club, organized an Olympic tournament between the four language clubs. The loser had to give a party for the others. SPQR also had their annual banquet, highlighted by a chariot race.

The newly-organized Spanish Club is headed by Mr. Clayton, advisor, and by a president chosen each semester. The Spanish Club went on a field trip to Southwestern and sponsored parties and pot-luck dinners for its members.

The French Club, under the direction of Mr. Wolff, advisor, and Cynthia Simer, president, planned to attend the French play, "The Ball of Thieves," and sponsored a bake sale.

By understanding the people of different countries, someday there may be peace in the world.

Latin Club officers were Jim Pearson, Consul I; Kevin O'Neill, Consul II; Betsy Carter, Praetor; Mike Phillips, Tribune.

French Club officers were Karen Casey, vice-president; Cynthia Simer, president; Aileen O'Neill, secretary-treasurer.

Spanish Club officers first semester were Lynn Andreoli, president; Jan Alexander, vice-president; and Michelle Jacquot, secretary.

Girls' League Offers Memorable Activities

Girls' League officers were, bottom row, Ursula Greiner, vice-president; Jan Alexander, secretary; LaDonna Coles, senior representative; Collette Williams, historian; top row, Janet Mankin, junior representative; Marie March, president; Kathy Hilbig, sophomore representative; and Colleen Williams, treasurer.

Girls' League was one of the most active clubs on campus. Headed by Mrs. Gilbert, advisor; and Marie March, president, Girls' League sponsored Girls' Week in September. Each day there was a special activity. There was a box lunch auction, an ice-sitting contest, and a special assembly for girls only. During this week, Mike Blevins was crowned "Mr. Irresistible" of 1968 by collecting the most ribbons. Girls' League also sponsored the traditional Baronial Ball which gave the students a special night to treasure.

Girls' League gave the seniors a night to remember this year at the Baronial Ball.

"S" Club

"S" Club members have donated much of their time and energy this year to help others. After having bake sales to earn money, the girls treated orphans from a Tijuana orphanage to a day at the San Diego Zoo. Through the Christian Children's Friend, "S" Club is sponsoring a 16-year-old girl in India. They also served again this year at the annual Sports Award Banquet. Many joint activities are planned by the "S" Club and Key Club.

"S" Club officers were Vicki Byrd, president; Robyn Wagner, vice-president; Marilyn Ruszat, secretary; Jan Alexander, corresponding secretary; Connie McGowan, treasurer; Kandie Newing, senior representative; Charla Single, junior representative; Frances Marking, historian; and Debbbie Roberts, sergeant-at-arms.

First semester C.S.F. officers were Fred Shoemaker, president; Carl Weidner, vice-president; Suzanne Whittier, secretary; Tim Hyde, treasurer; and Keith Holley, historian.

C.S.F. members "soap-it-up" to raise money for their semester field trip.

C.S.F.

The California Scholarship Federation was established to recognize students who achieve high standards of scholarship in school programs. The Federation's motto is "Scholarship for Service" and this year's members lived up to it. The club donated \$10 to pay for a radio to be used in the history department and also sponsored two car washes and a donut sale.

Second semester officers for C.S.F. were Carl Weidner, president; Jim Duberg, treasurer; Suzanne Whittier, secretary; and Bob Hawkins, vice-president.

With Vickie Crain to direct them, the 24 representatives of campus organizations, the Interclub Council, organized school activities.

Careful planning is the key to successful school functions, and the responsibility is assumed by the Interclub Council. A representative from each organization and Vickie Crain, Bonita Vista's vice-president, plan and schedule different club-sponsored activities to make each year a memorable one. Perhaps the most important purpose is to better the relationship between the different clubs on the school campus.

Political Science was just organized this year, by Mr. Uri and students who are interested in politics. The purpose of this organization is to give students an understanding of the federal government as well as the student government on campus. The members, mostly sophomores, elected Steve Peace as their president.

Mr. Schanke and Vickie Crain displayed the newly-acquired Baron banner bought with donations given by different clubs on the school campus.

Political Science officers were Steve Peace, president; John DeBello, vice-president; and Cindy Carnahan, secretary.

Interact officers were: Willard Snyder, president; Jon Perry, vice-president; Steve Jensen, secretary; and Joe Martinez, treasurer.

Interact is a worldwide, Rotary-sponsored organization of young men dedicated to service and international understanding. Membership is open to any male student who possesses good character and leadership potential and who has demonstrated superior achievement in academic and extracurricular activities.

Interact members scheduled this year's activities under the guidance of Mr. Mitchell Gegax.

Clubs Develop Leadership

Key Club officers this year were: Steve Pettit, president; Doug Single, vice-president; Tim Hyde, secretary; and Bill Brown, treasurer.

Key Club members donated their time and energy to help decorate the Christmas tree for the Baronial Ball.

Key Club has had an active year under the direction of Mr. Harrison, advisor, and Steve Pettit, president. Its members donated much of their time to render service to Bonita Vista, as well as to the community. Besides scheduling some joint activities with "S" Club, this year's Key Club helped Girls' League with the preparations for the Baronial Ball and planned a party for its members.

Lettermen's Club officers this year were Steve Slamon, president; Allen Gerhardt, vice-president; Ed Zielinski, secretary; and Bill Brown, treasurer.

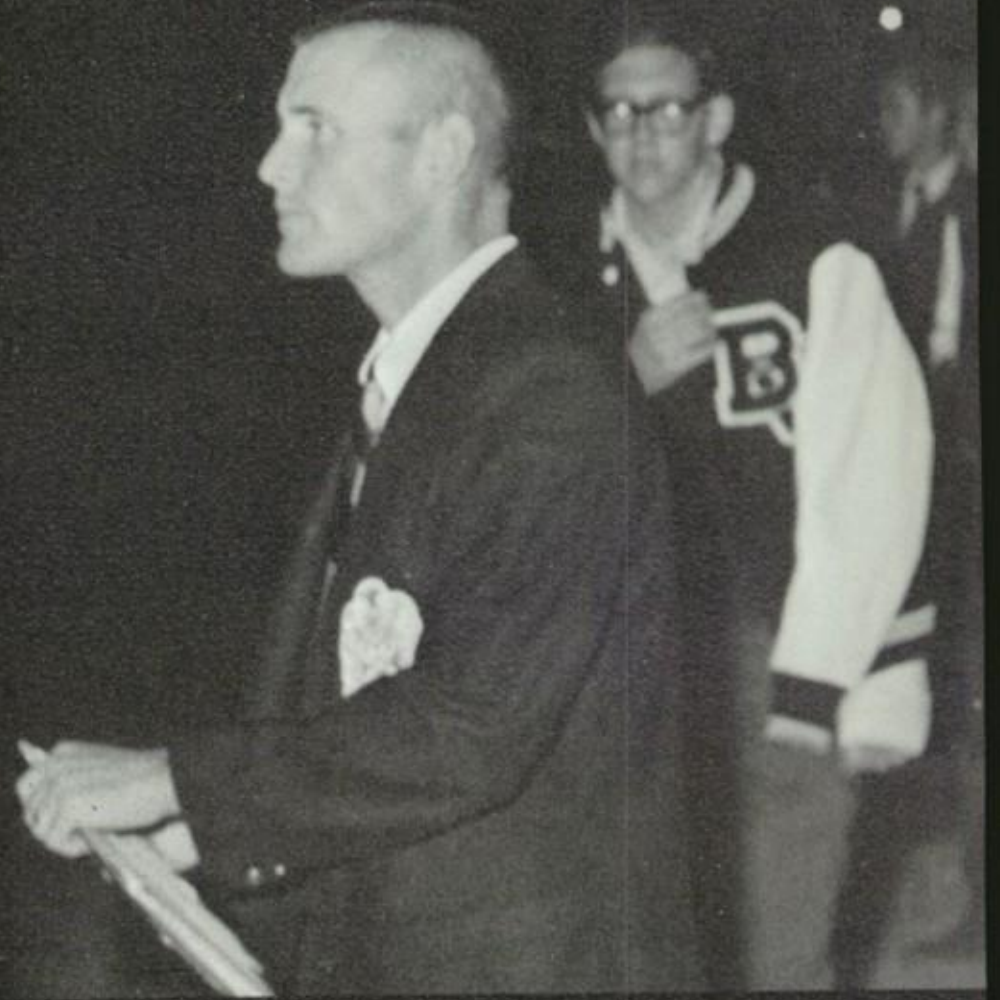

Barons Excel in Sports

Steve Slamon leads a financial discussion of Lettermen's Club during one of their regular noon-time meetings.

The Lettermen's Club is an organization whose members have received letters for their participation in school sports. This year the club was under the direction of Steve Slamon, president, and Mr. Wayne Whitby, advisor. Besides the annual candy sale, the Lettermen sponsored a car wash in March.

The club's other activities and projects included paying for basketball warm-up uniforms, donating money for the Baron banner, and purchasing a scrapbook to record annually the Lettermen's accomplishments.

Sports

Bonita Vista's second year of Varsity competition was somewhat improved over its first. The BARONS took many steps forward, such as placing three boys on All-League teams. Paul Halupa broke the county scoring record and became our first selection to a C.I.F. team.

Allen Gerhardt was our first undefeated wrestler, while Chuck Golden became our first All-League football player, and for the first time, we had a returning All-Leaguer in baseball, Steve Slamon.

Besides these individual achievements, the BARONS reached other goals too. The Basketball team won ten games, the Football team didn't finish last, and the Baseball team had a promising look about them.

The fine spirit shown by the students and faculty added to the sports scene. Although the BARONS' efforts didn't produce any league titles, they did make this year a stepping stone to future success.

The first team with seniors fielded by Bonita Vista, led by an excellent coaching staff, fought hard throughout the '68 season. A spirited student body aided the BARONS in becoming the "best dressed" team in the Metro League. A fine Pep Squad and a great Band and Specialty Corps provided spirit and enthusiasm throughout the year. Hours of toil and sweat, pep assemblies, chalk talks, half times, smiles and tears, and the BARON Alma-Mater were all a part of the football scene. The first league victory in our history, and our season opener against Calexico, highlighted the campaign. Heartbreakers like the Poway game, in which we won everywhere but on the scoreboard, set the pattern for the weeks to come.

As Seniors Bid Adieu

The Varsity football team won only two games in 1968, but fought hard in every contest. They experienced hardships ranging from broken arms to poor officiating. They played the CIF champs to a seven to seven tie for three quarters before finally falling to the "TROJAN MACHINE." On a bad night for all, the BARONS dropped a thirty-four to twenty-seven decision to Sweetwater. The BARON defense intercepted a pass with only fifty seconds left in the game, but the play was nullified when an official found a fault in the defensive line. At the time, Bonita was ahead by one point. The final game of the season was another game in which the BARONS showed their great determination. Trailing seventeen to seven, they fought hard, staging a fierce second half comeback, but fell six points short, losing twenty-six to twenty.

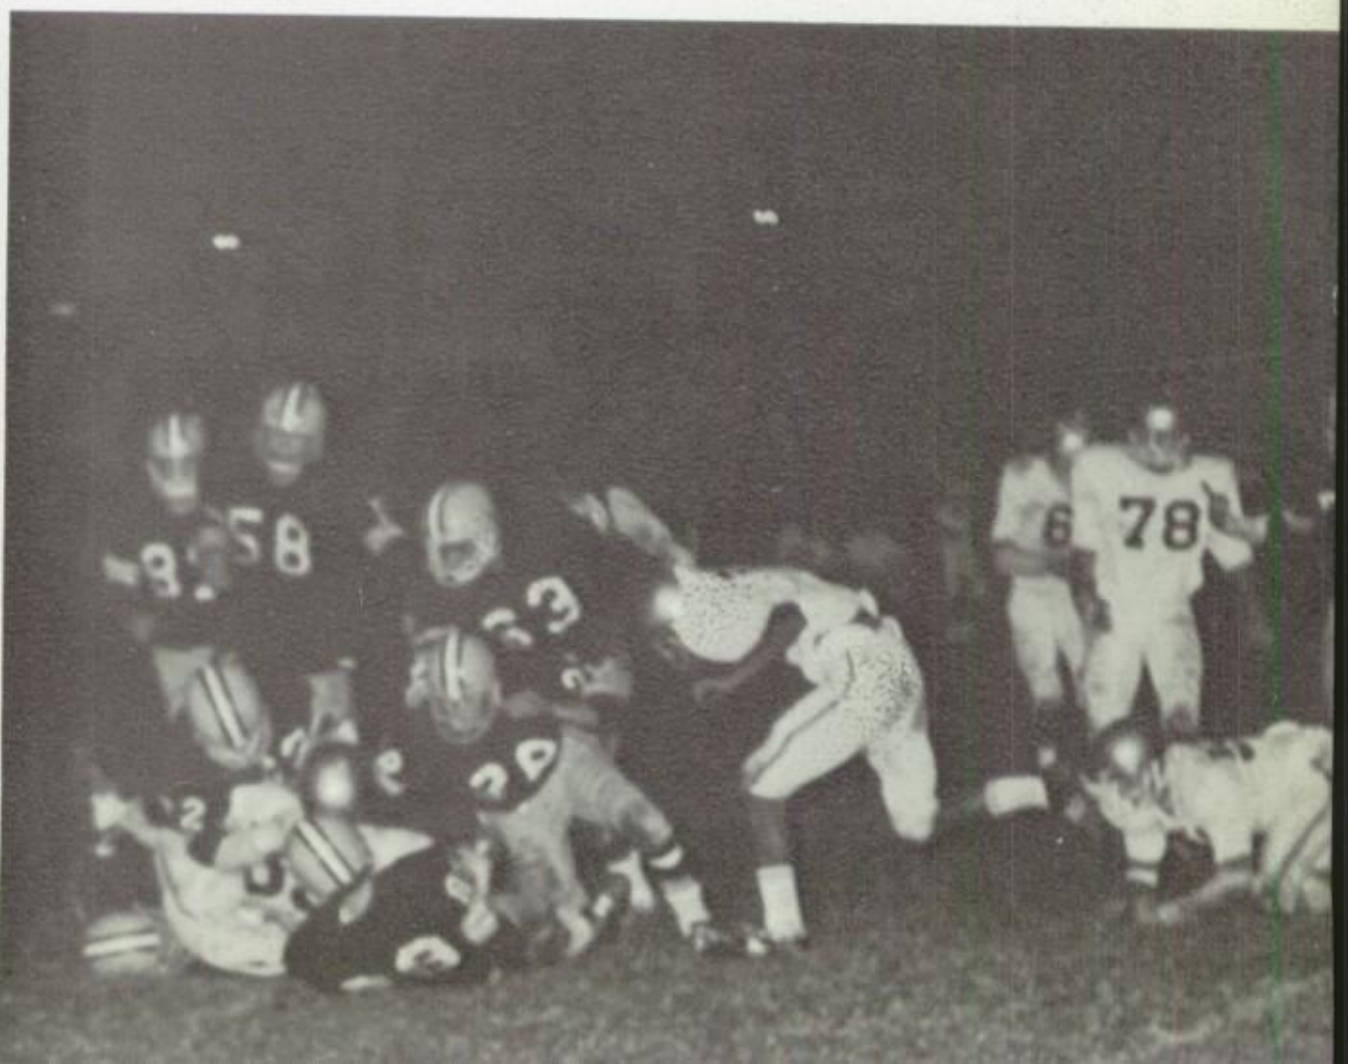

Overall it was a good year at Bonita Vista. The BARONS' Chuck Golden was an All-Metro pick, while Clif Mello, Steve Pettit, and Doug Single received Honorable Mention. Of the thirty-six players on this year's team, twenty-six will graduate in June. Next year's Varsity has a tough road to travel and this year's Seniors wish them the best of luck.

Steve Baker put this Spartan on the turf.

End Ed Larkin picks up yardage after a pass from Quarterback Colyn Howard.

The 1968 edition of Bonita Vista's JV BARONS started the season right with three straight wins. A topnotch defense led the way, allowing only three touchdowns in the first three games. As the season grew older they won one and tied one before suffering their first loss. Three more losses followed this one and the BARONS dropped to fourth place in the Metro League standings. All in all it was a good year, the best ever played by a Bonita Vista football team. The valuable experience gained by these juniors and sophomores will enable them, along with this year's returning lettermen, to take over the varsity for the 1969 campaign.

Bonita Vista, competing against schools much larger than itself, took on eight other cross-country teams this year and was victorious over three of them. We beat these teams in the Aztec Invitational Cross-Country Meet held on November first. One of these high schools, Vista, was considered to have the best runners in their league.

Randy Clark, most valuable runner, followed by Kym Blair, most inspirational runner, was the first Baron runner to place first against another Metro league team. However all runners are to be congratulated for a fine cross-country season.

JV Ploughs Through Tough Season!

Like the Varsity, the JV had a tough but worthwhile season. They too had strong runners and attempted to prevail over schools much larger. In 1970, under the excellent coaching ability of Coach William Foley, Bonita Vista can look forward to an outstanding year in Varsity and JV cross-country competition.

Bonita Vista's second varsity Basketball team entertained an immensely improved season over last year's one win record. Although the team lacked height, the BARON determination and hustle made them contenders in every game.

The BARONS had a chance to win the Classified Division of the Kiwanis Tournament, but fell to a San Marcos five which they had beaten earlier in the year.

The rest of the season was, for the most part, uneventful. Highlights were victories over a strong La Jolla team, and two wins in league competition. Paul Halupa broke the county record for points averaged in a season, with a 28.3 average. He was also named to the All-Metro team and to the All-CIF second team.

The Sophomore team was paced by Richard Swyers, Rick Zepeda, Oscar Gallardo, and Andy Griego. These two fine teams will be the nucleus for the future BARON varsities.

In Sophomore action, Andy Griego scores two.

Mr. Wayne Whitby
Varsity Coach

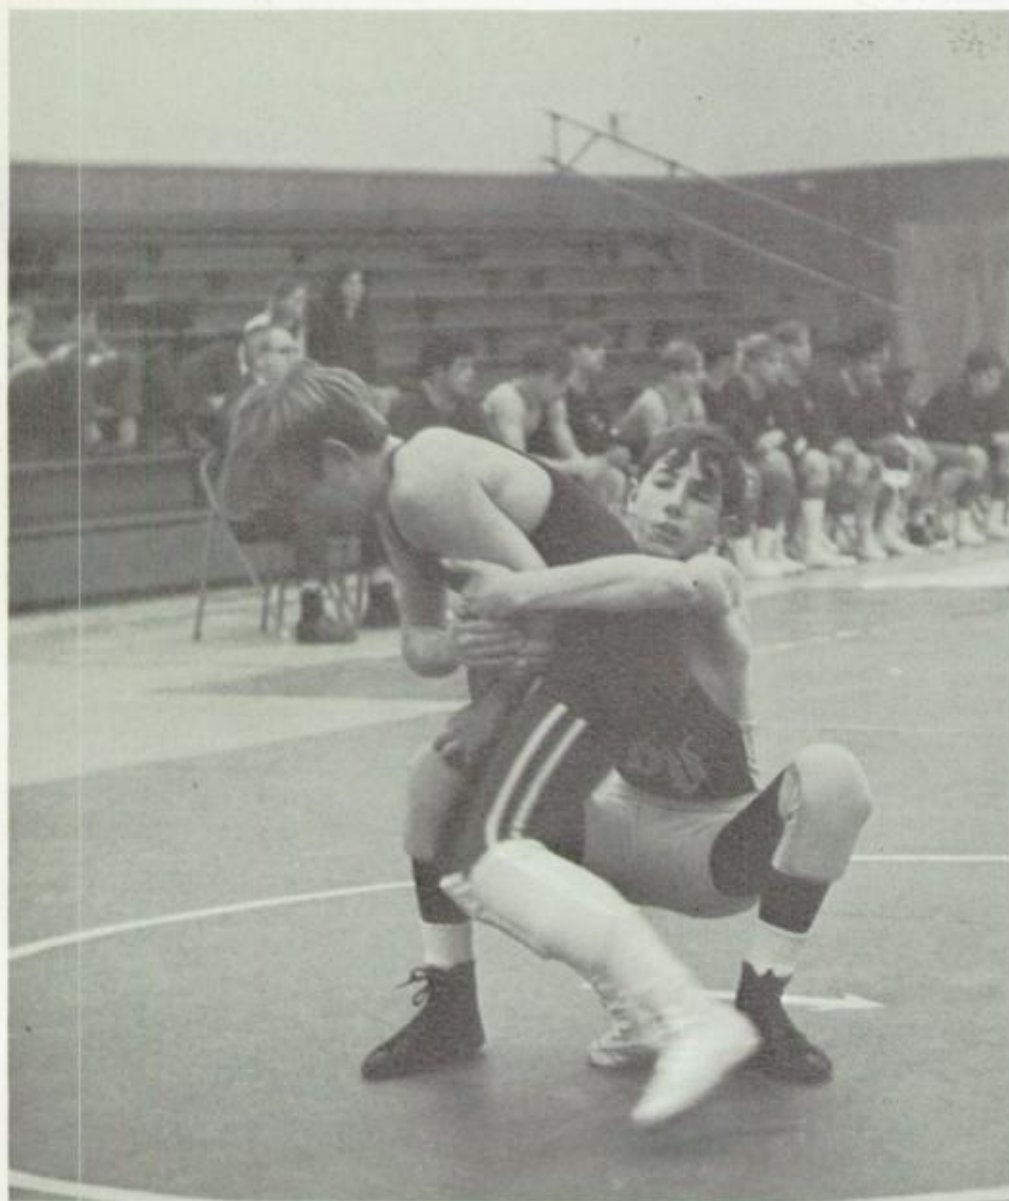

Our Varsity wrestlers ran into some bad luck in 1969, losing at least half of the 1968 team through injuries. Coming off with a 5-7 record, the Metro Crown was within reach. Still more injuries set the team back even further, with only 1 grappler wrestling in all 13 matches.

Special mention must be given to Allen Gerhardt, who placed first in the Metro League finals. He was also undefeated in league competition, winning 5 and tying 1. Clif Mello also helped gain glory for Bonita Vista by placing third in the Kiwanis Tournament.

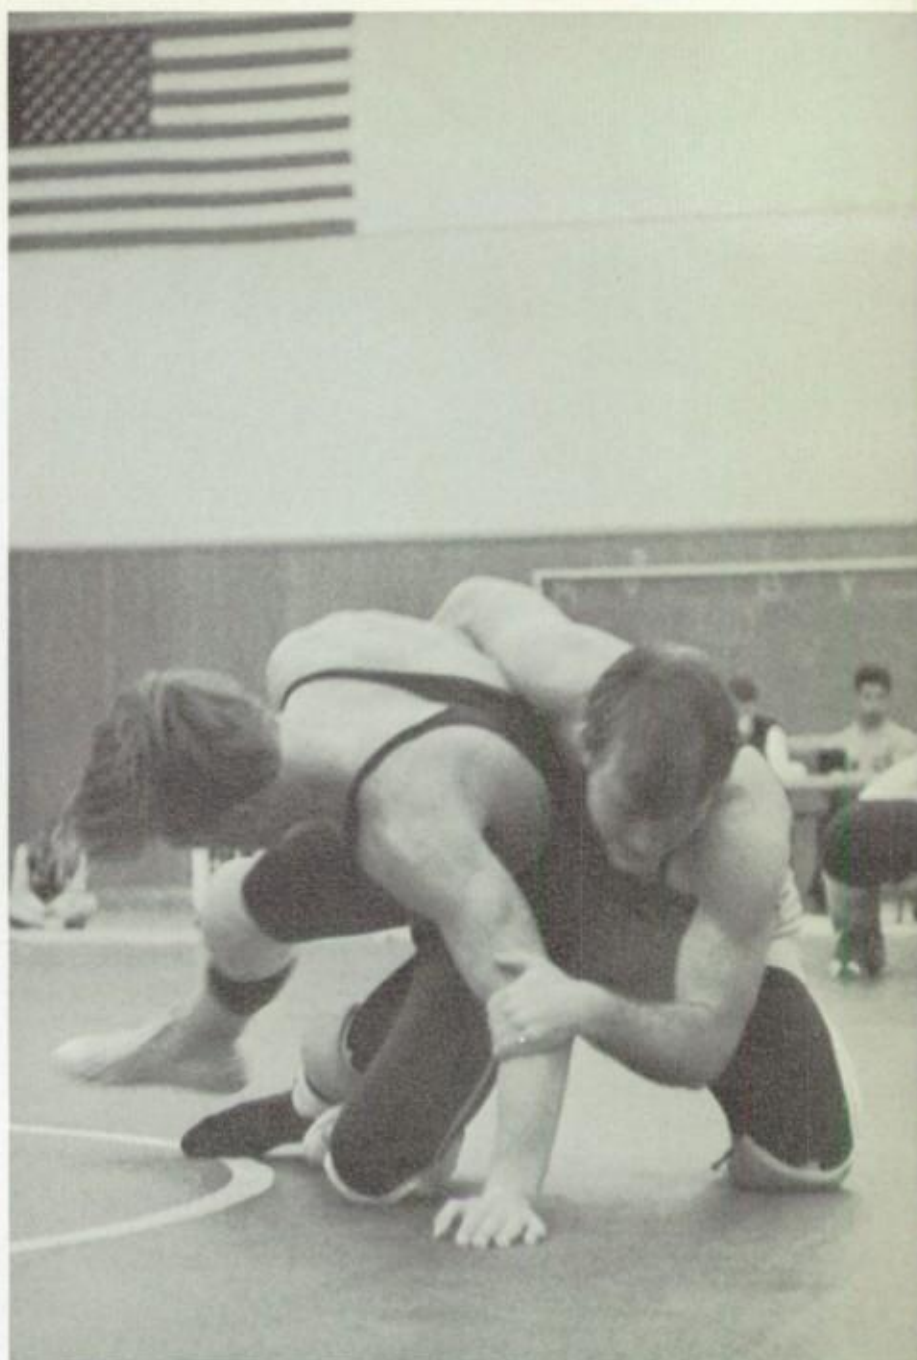

Captain Frank Guidry gains five points with a pin.

Bonita Vista's JV wrestlers experienced a season of learning in 1968-69. Many fine grapplers were discovered and ripened through the dedicated coaching of Mr. Richard Moomaw, JV Coach. His efforts helped the varsity greatly, as he replaced the many injured varsity wrestlers. Jim Stuckey was the leading JV wrestler, as he replaced an injured varsity boy in the Metro League finals and placed third. Other good men were Rick Dronet and Robin Casey.

With many Varsity wrestlers returning and still more coming up from the JV, the future of wrestling at Bonita Vista is bright. Although the JV didn't win many of their 13 matches, they gained valuable experience throughout the year.

This year's Varsity Baseball team got off to a slow start. After beating Helix 6-5, they dropped 9 straight games, but rebounded in the Kiwanis Tournament by shutting out Coronado, 5-0.

Underclassmen make up the majority of the team, with three starting sophomores. This inexperience, along with some bad luck, has resulted in their so-so record. As the annual went to press their league record was 1-1, and a second place finish was well within their grasp.

Third row: Gary Lichtman, Eric Augustine, Bill Reimund, Gary Jacquot, Rick Prather, JV Coach Mr. Tom Harrison, Mark Contreras, Mgr.

"Harrison's Haunchos" were the youngest and most inexperienced JV team in the league this year, but aged before their time and made a good showing in all their games. They lost to top-rated Castle Park by only 1 run, and only because a runner tripped rounding third and was thrown out at home.

Excuses don't win games though, so the JV BARONS went on to win more games than ever before. Top players were Ed Larkin, Perry West, Manuel Fuentes, and Terry Brunk. These boys will replace the five graduating seniors on the Varsity and it is hoped will make a strong bid for future Metro League titles.

Tracksters Take Off

This year's Track Team seems to be shaping up much better than most Barons had expected. In the first meet of the season, Bonita had its first great victory. The Baron Tracksters smashed Marian, 108-9. Outstanding efforts by Bill Brown, Van Reavie, and Ron Richard were directly responsible for the win, but the rest of the team should not be forgotten.

This year looks very hopeful for a successful season because there are more boys out for the team than ever before. With the excellent coaching of Mr. Richard Moomaw and Mr. John Grande and the hard work of the trackmen, the BARONS can certainly look forward to a winning season.

Demonstrating true ability and an intense desire to share in the image of the Baron student body, elected class officers Margaret Pena, president; Marshall Miranda, vice-president; and Linda Nicholls, secretary; earned the confidence of their classmates by the enthusiastic manner in which they undertook their arduous and time-consuming tasks. Their accomplishments clearly testify to their readiness for the mantles of senior leadership. The confidence demonstrated in meeting the problems of changes in life and routine is clearly indicative of the strength and spirit of Bonita's young standard-bearers. Under such leadership one can rest assured that Bonita will grow and prosper. Mrs. Palmer and Mr. Tomlinson, Junior counselors, strove to guide the eleventh graders to the best of their ability.

Sophomore Class

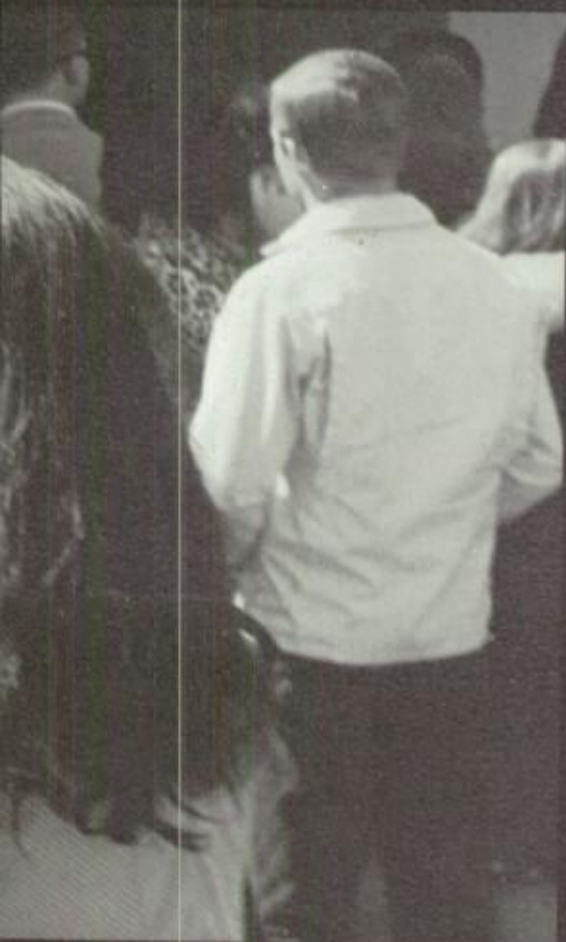

This year the sophomores were full of spirit and ambition as they proved by their eagerness to show their spirit at all the pep assemblies and games.

The sophomores were very active in the student government. Class officers were Steve Peace, president; Margaret Henkelmann, vice-president; and Susan Pugh, secretary. The sophomores were well-represented by hard-working students in the senate and assembly.

Diane Montell and Chris Weaver were chosen as the sophomore Princesses for the Queen of Hearts Dance.

The school year of 1968-1969 has been a successful one for the sophomores.

Acknowledgments

Without the avid support of the following businesses the 1968-69 Excalibur would not have been possible. We wish to extend our appreciation to these businesses and hope that you will patronize them. A special wish to Bowermaster Studios, Neyenesch Printers, and Mrs. Cheryl Selles, for without their assistance the Excalibur wouldn't have existed.

U.S. AIR FORCE

A new era in air transportation opened in 1968 with the rollout of the Lockheed C-5 logistics transport (above) and the Boeing 747 passenger jetliner. The four-engine superjet, with each engine generating more than 40,000 lbs. of thrust, will enter military and commercial service in 1969. The sleek aerodynamic engine nacelles and supporting pylons were built by the men and women at Rohr Corporation. Rohr products are used by such industry leaders as Boeing, Lockheed, McDonnell Douglas, Grumman and North American Rockwell.

Time and life are both untouchable and fleeting; once we have known a moment it is gone, and we can never relive it the way it once was.

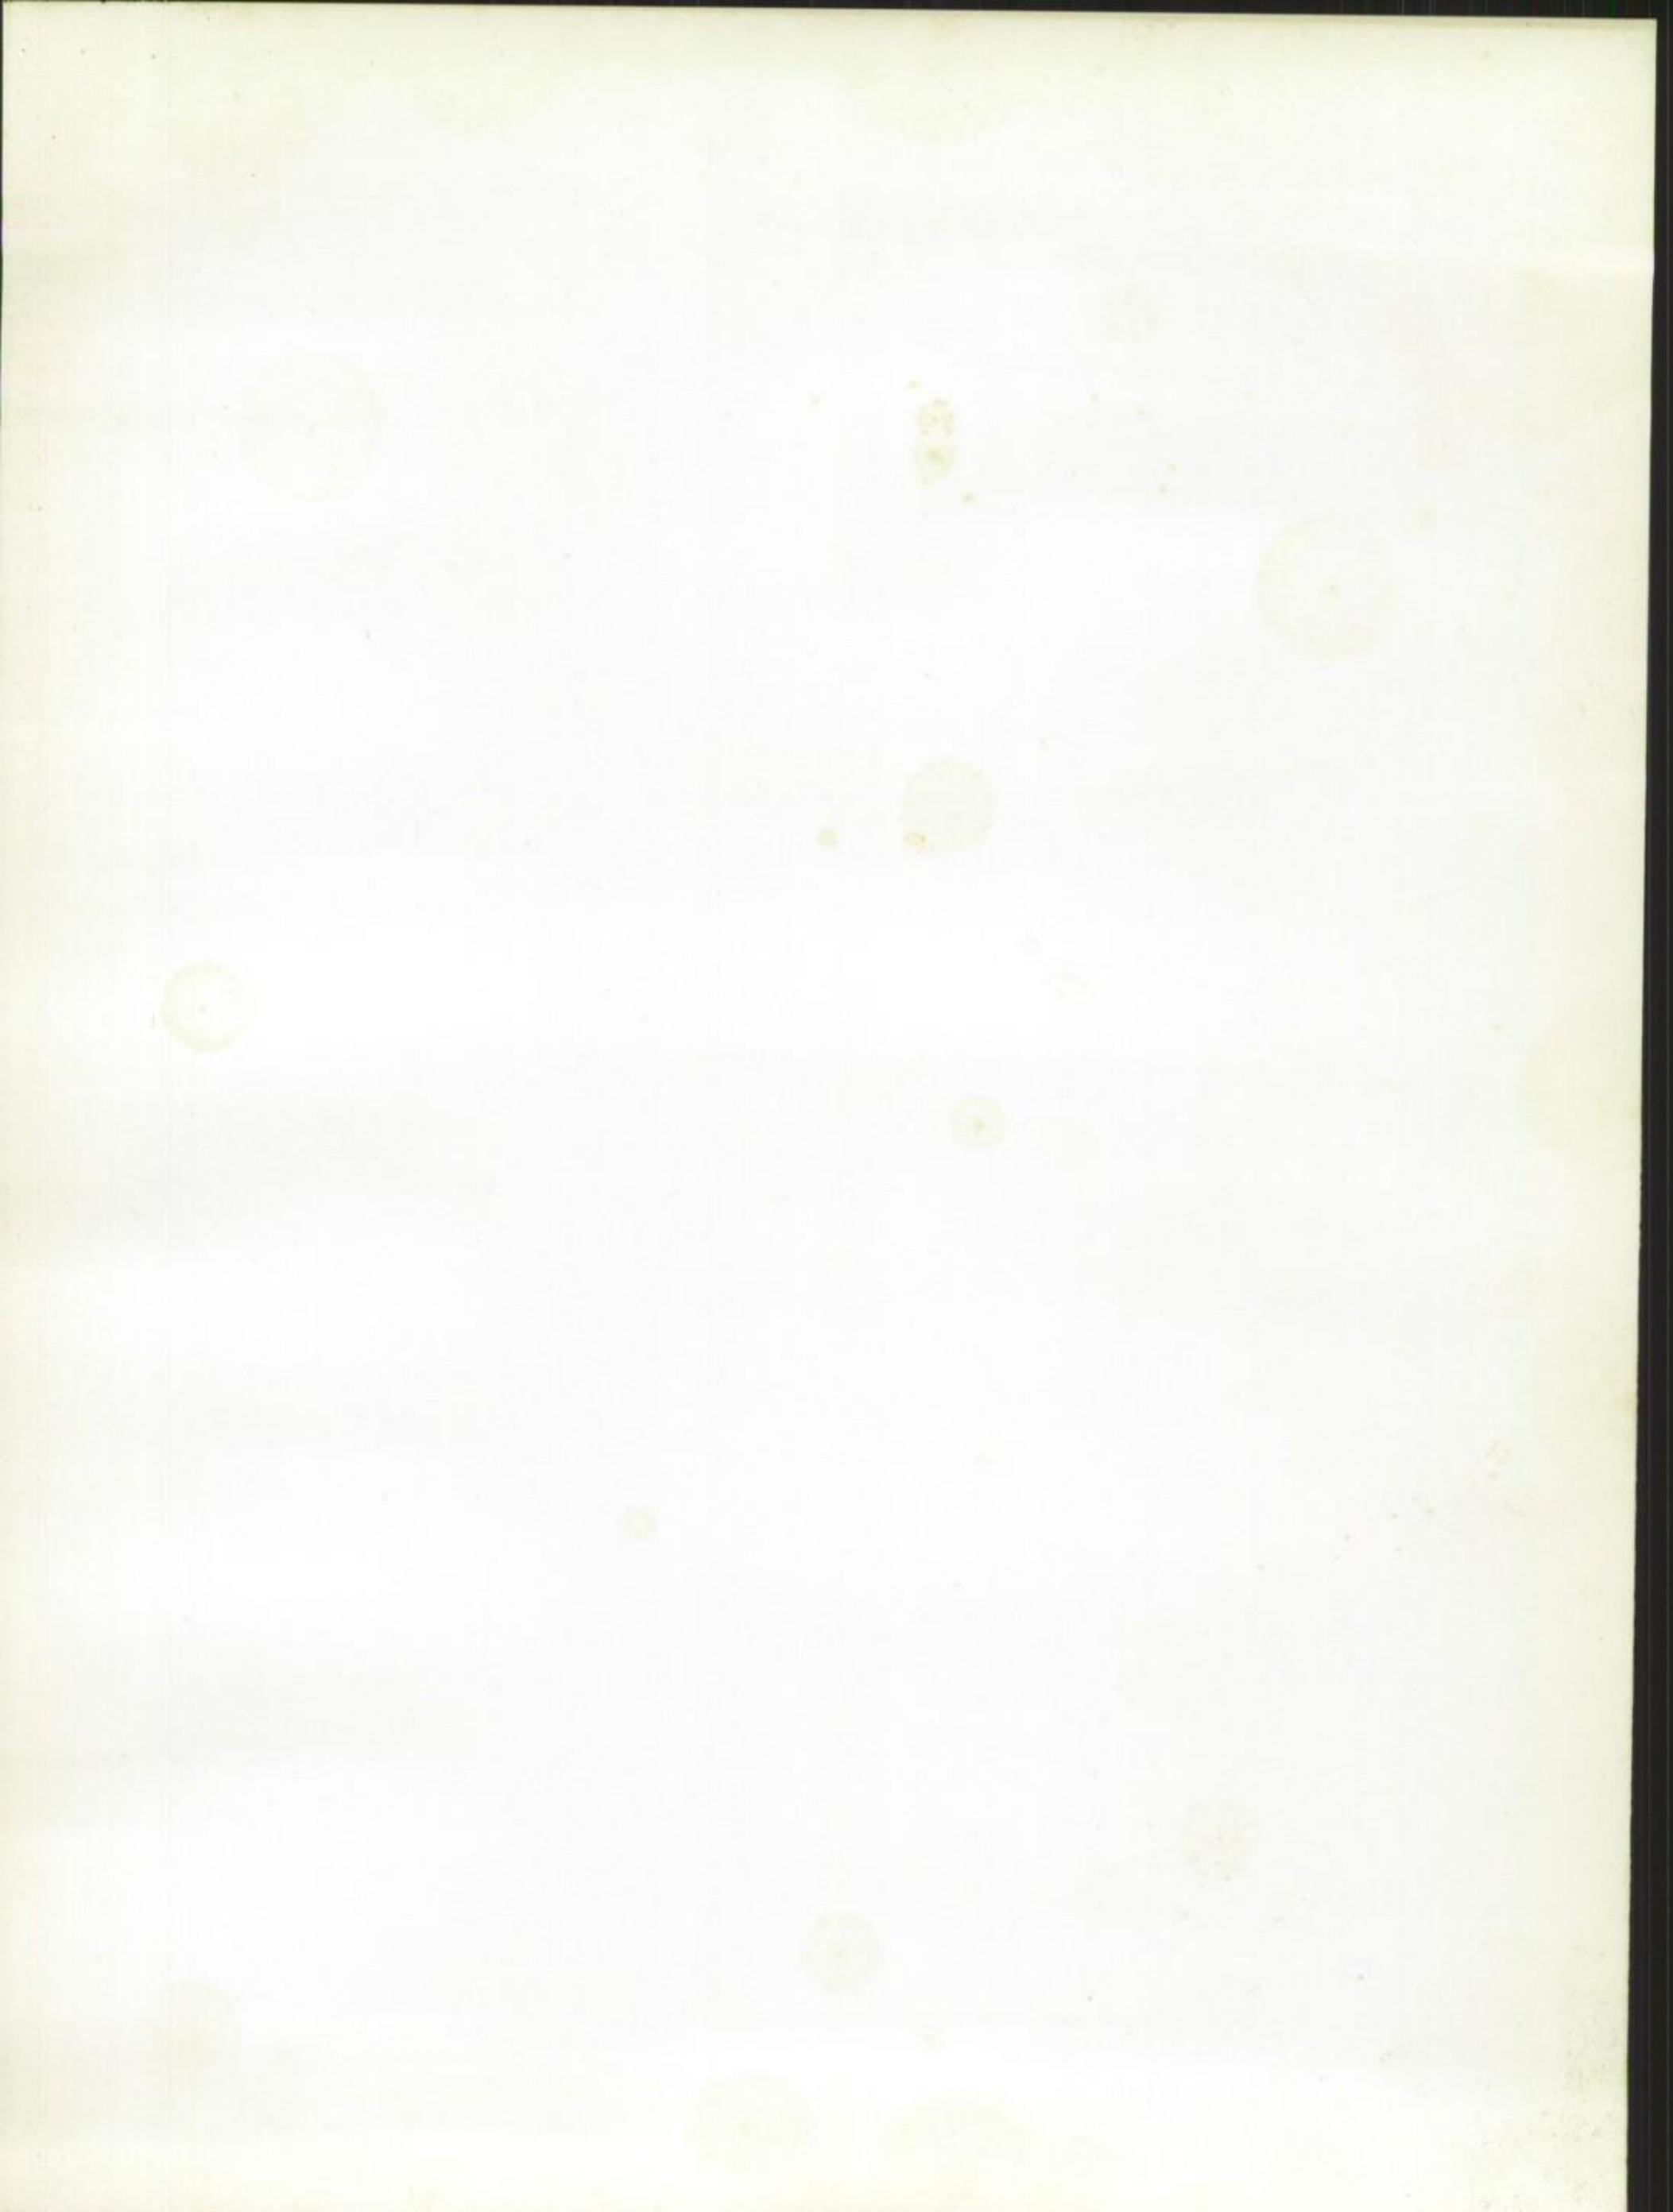

Time has touched us here at Bonita Vista — we have finally fully realized that our students are not destined to remain here always.

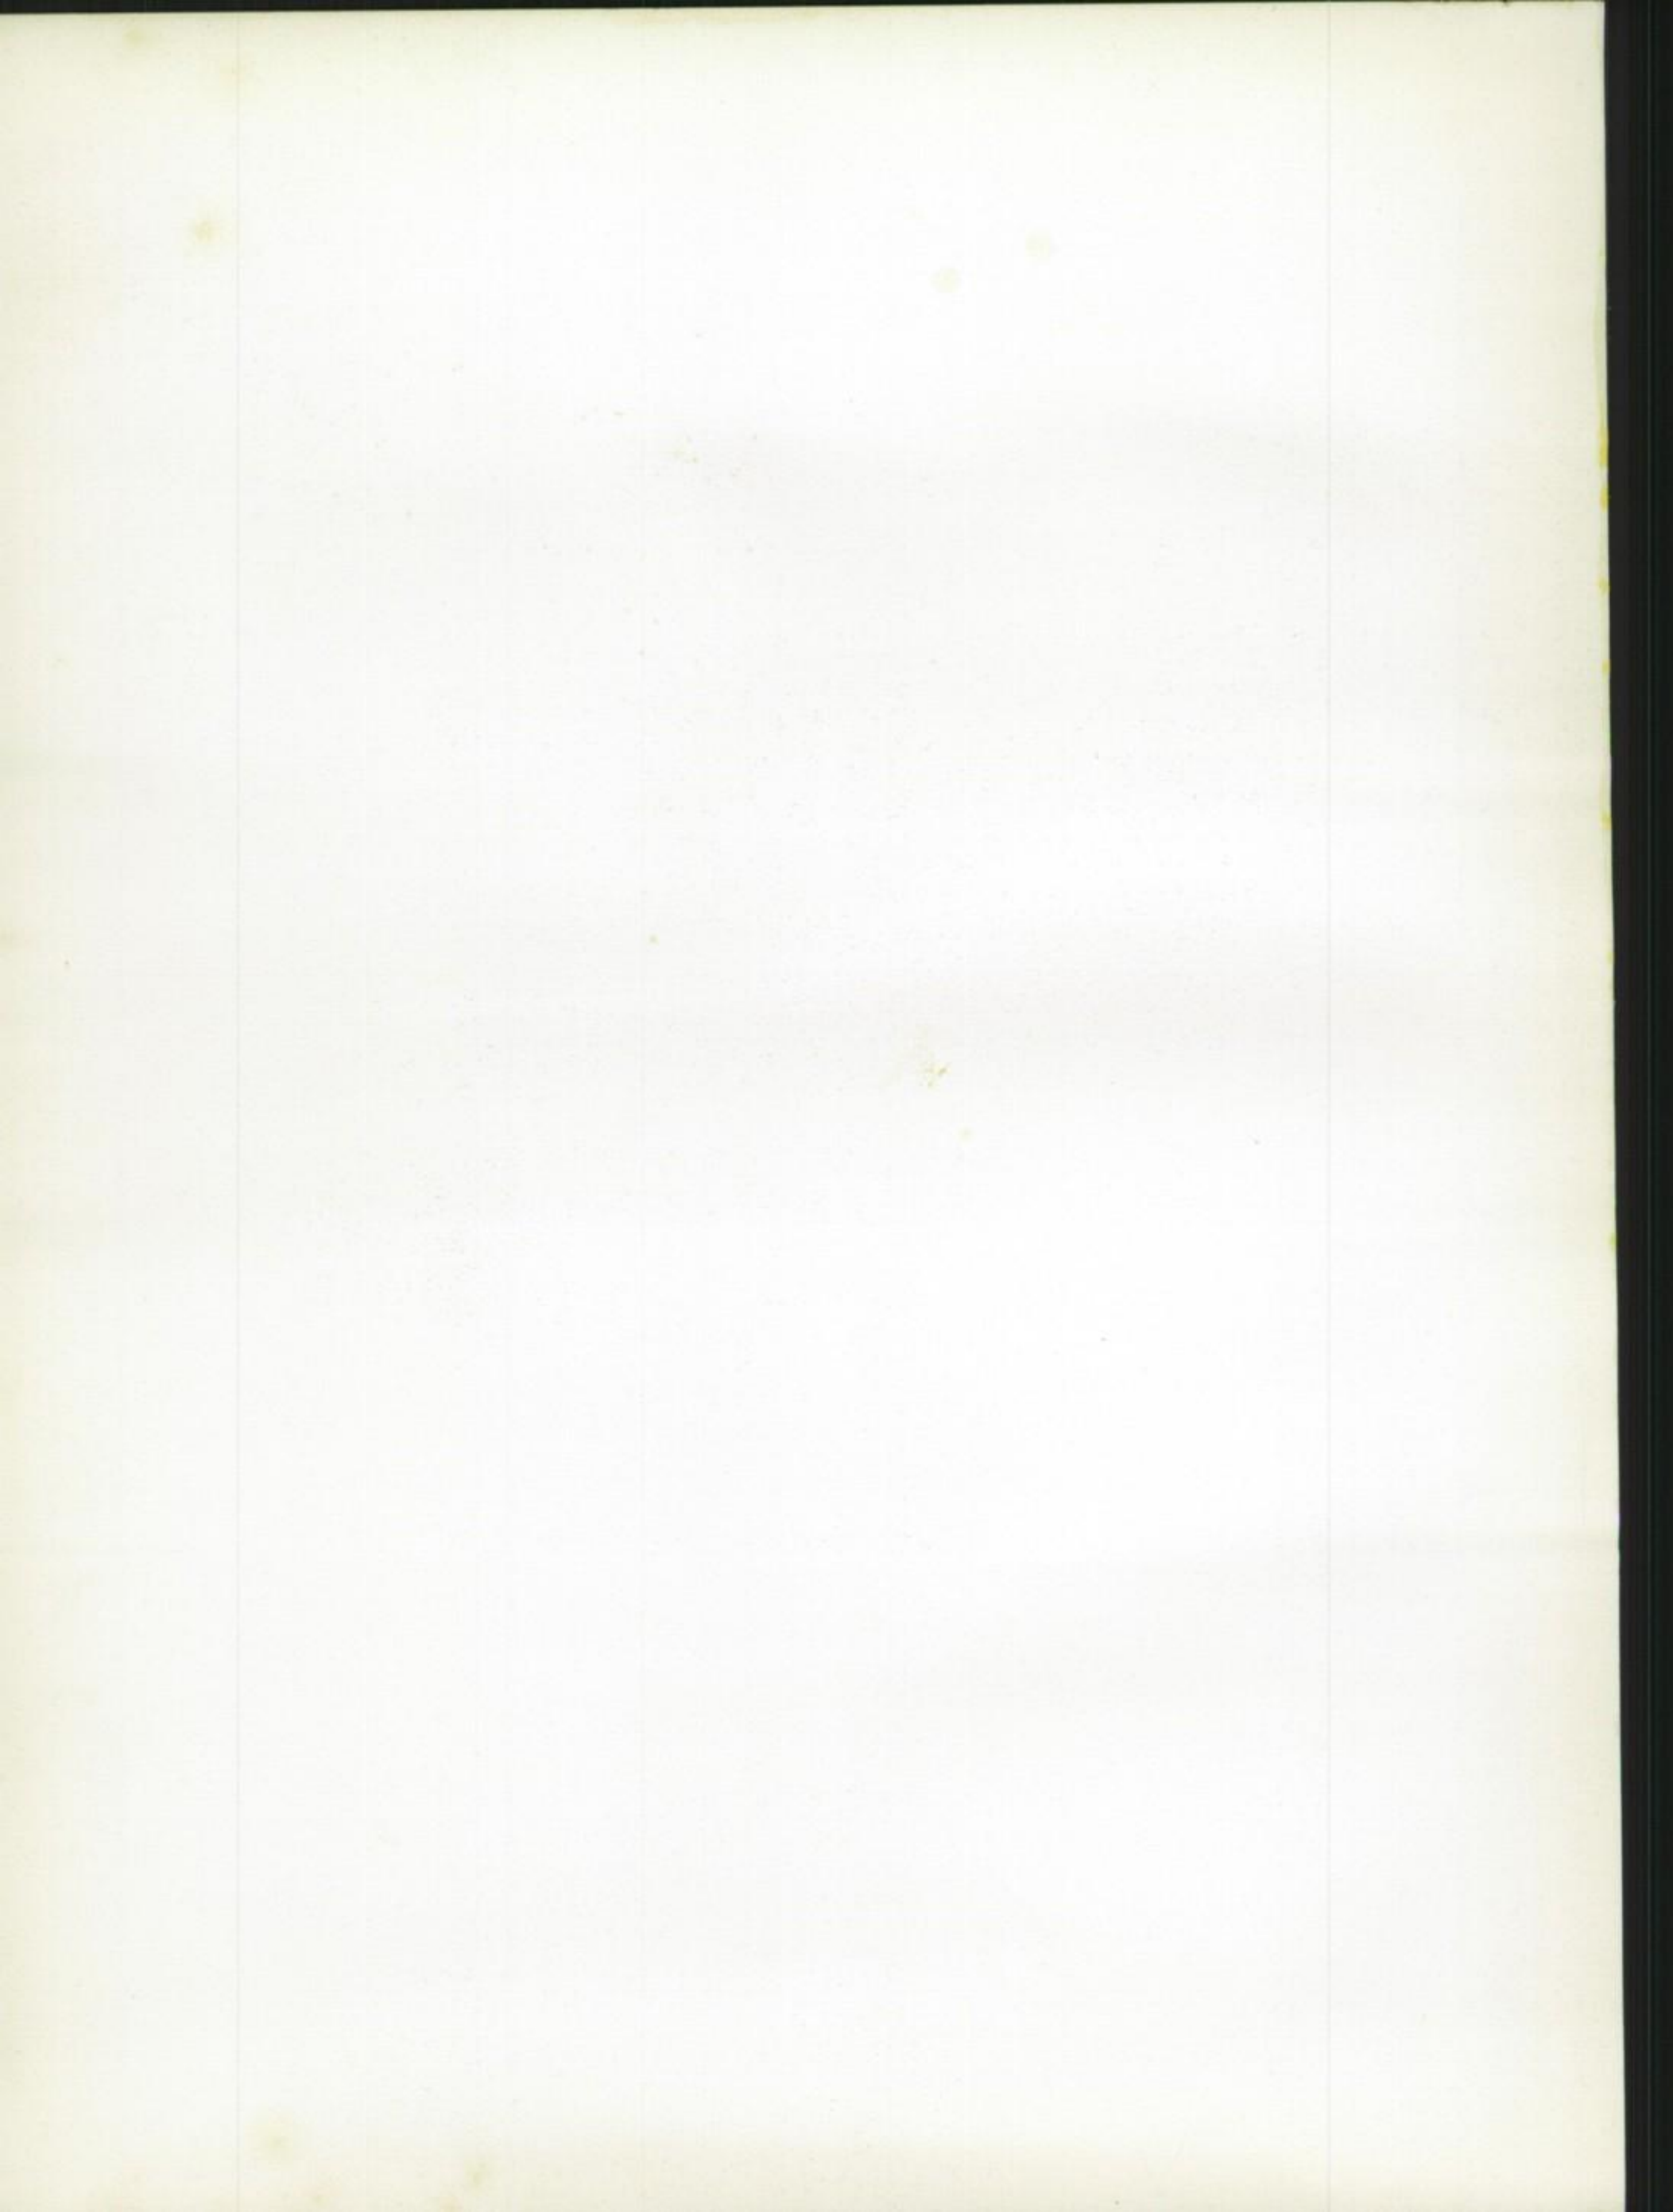

So with sorrow we lose our first senior class. Granted, their time and life at Bonita are finished. But outside our echoing halls and classrooms there lies a new time and a new life for each one who leaves. And for each one who remains for just a little longer, there lies new experiences and victories.

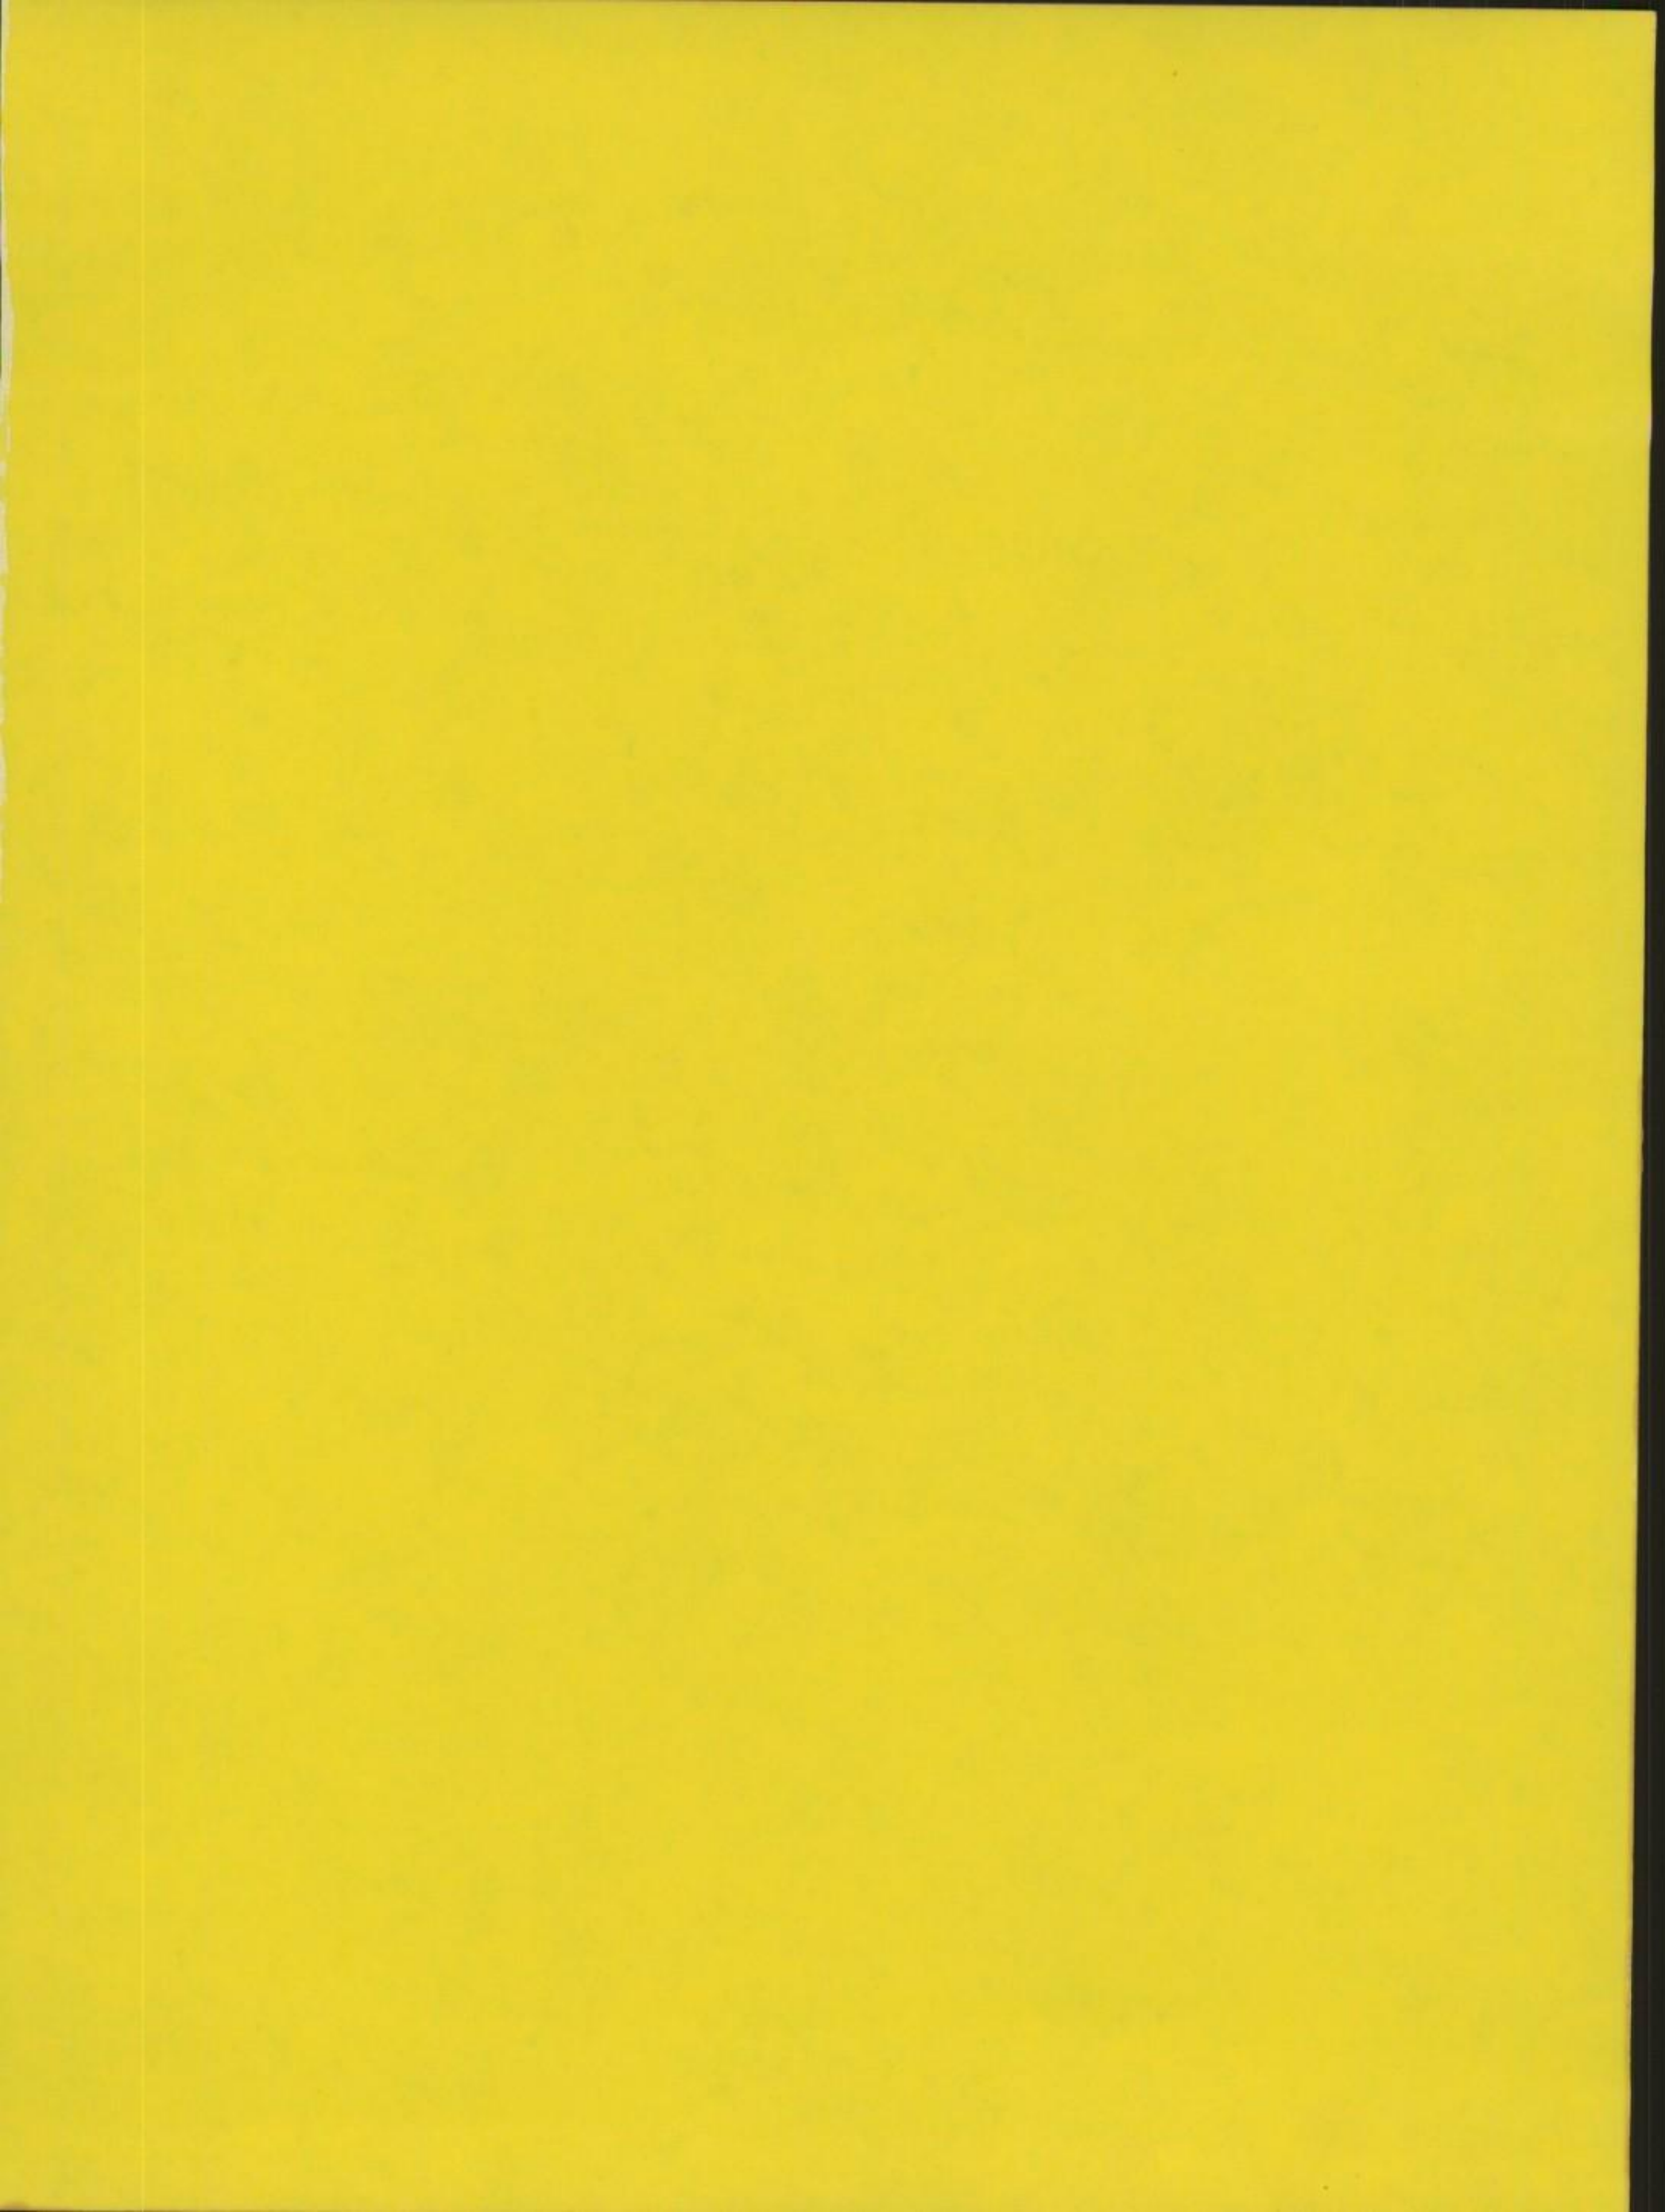

The whirling kaleidoscope of 1968-1969 has come to a standstill and only memories of it live on. But memories are not to be belittled — so to each one of you who has felt the movement of time and life at Bonita Vista we leave this memory of a kaleidoscopic year.

Linda -
These things always sound
so phoney. Don't you agree?
Anyway we've had an awful lot
of fun together & I hope there will
be more. You're an awful (I just
used that word) fun person to be
with, too. Sandy had to mess
things up. I'll always treasure and
remember our neat times & grind-
ship. Good luck always & I'll
see you this summer & at Sal

indon,
Well its
een a long year
nd we've been kind of
ood friends in this length
of time. I hope that I'll know
you for a long time because I think
your really super meato girl. Have
a great future.

kinda.
It would
be impossible to
recall all the fun
times (and the sad) that
we had in 7 logs this year
but overall it was a very
memorable experience. I'm glad
we got to know each other so well
or look forward to seeing you at
homecoming!! Best & luck
for Janet
